### Important

#### Year 7 and 9 NAPLAN 2022

Individual student NAPLAN Reports detailing results can be viewed on SEQTA in the same panel as Semester Reports. When the paper copy of NAPLAN Reports is delivered to the school we will give these to students in Form to take home.

**NAPLAN**  
NATIONAL ASSESSMENT PROGRAM  
Literacy and Numeracy

#### Lost Property

If your child has lost an item, please ask them to check at their relevant Student Services area. Currently there are lots of unclaimed items outside of Middle Secondary Student Services.

Please help us to minimise the amount by writing your child's name on uniforms, towels, water bottles, etc., and then we can also help to return it to the rightful person.

If not claimed before the end of Term 3, the items will be donated.

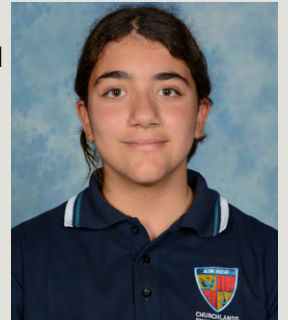

#### Uniform Donation

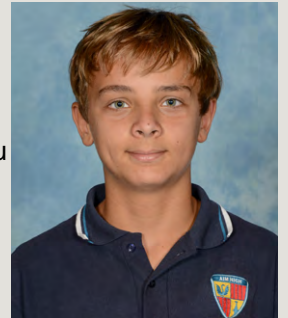

If you have a child leaving the school at the end of 2022, our Student Services teams would appreciate any good quality uniforms being donated (especially jumpers and long pants).

- Congratulations to Year 8 Elvira Katsaitis who recently represented Australia in the 2022 FINA Youth World Artistic Swimming Championships held in North Carolina, USA.

- Congratulations to Year 9 Sam Regan who has been selected in the under 15 state water polo team to represent WA in Melbourne in October. We wish you all the best Sam!

- The Big Bake Off Competition is a highlight of the Year 11 Food Science and Technology course. Students test their skills against each other to win the coveted title of Best Baker. Students prepare three different baked dishes (cupcakes, biscuits and bread) and submit to different groups of staff for judging on appearance and taste. This year was hotly contested with only 0.5 points between first and second place. Congratulations to Kristy Lichtenstein, Ivy Foyster and Tayla Hall in Ms Horvath's class for taking out the top spot for 2022 for their lemon meringue cupcakes, Viennese biscuits and olive and rosemary focaccia.

- Congratulations to all the music students that performed in the recent Junior, Intermediate and Senior School concerts. Again you have amazed us with your incredible talent. Thank you to the music staff who create, support and provide such a fantastic learning environment for our students.
- Two brave Churchlands teams travelled to Hale School to take part in the epic Have Sum Fun Maths Competition. Composed of math loving students from Year 11 and 12, the teams battled it out against over 30 teams in order to win the coveted grand prize: the Have Sum Fun trophy and bragging rights of being the best of the best.

## *Congratulations*

### What's happened

#### News in brief...

- Guest speaker Katya Fleming inspired our Year 12 students at the Breakfast Club held at the Scarborough Rendezvous Hotel. Katya is an alumni from the Class of 2006, the founding director and current Board Member for Endometriosis Western Australia and a trainee registrar in Anatomical Pathology. Nearly 100 students, parents and staff attended the event.
- Personal Planning Interviews with Ms Sally Topley (for ATAR students) and Mrs Clare Slodecki (for non-ATAR students) concluded last week. These sessions provide students with resources and information on future pathways and feedback on exam preparation/alternative pathways.
- Staff came dressed in purple and students wore purple/rainbow accessories to celebrate and raise awareness for the LGBTQIA+ communities. Rainbow flag was raised at the school and during lunchtime, fairy bread and cupcakes were a hit! MLA for Scarborough Mr Stuart Aubrey showed his support by joining the students to get his face and nails painted and hair sprayed.

- Teams of two Year 12 students worked under pressure to calculate the concentration of an unknown solution in the Churchlands Golden Pipette Titration trophy. The winners will be announced at the next Year 12 assembly and their names will be written in gold on the honours board for posterity.

- Well done to the ten Year 12 students - Khia Armstead, Eloise Raynor, Sascha Alach, Alice Harwood, Sophie Sturley, Georgia Moar, Julian Tearney, Giselle Hadodo, Ryan Finnegan, Grace Young and a staff member Mr Long, AP for Senior Secondary braved themselves and demonstrated great commitment to help raise funds for the Leukaemia Foundation. The Churchlands team came together to conquer blood cancer through the World's Greatest Shave. They raised over \$6000 and their hair will be donated to the Sustainable Salons.

Nine students Michelle Wilson Rozas., Katelyn Browning, Rhianna Keating, Urvi Patel, Henry Lee, Annericka Van Wyk, Hayley Gardner, Rachel Sparrow, and Sophia Ogle, raised \$1402.00 over the weekend by doing these activities.

There is no limit to what you can do! You can either give something up for 40 hours or create a challenge to do within that time. Here are some of the challenges chosen by the students:

- Giving up talking for 40 hours
- Living outside for 40 hours
- Walking for 40 kms in one day
- Swimming 40 kms
- Giving up phones for 40 hours
- Riding 40 kms
- Giving up gaming for 40 hours
- Doing 40 acts of kindness

- The House Points for Term 3 (as of Week 7) was tallied; a big shout out to Floreat who is ahead of the race with 25 661 points followed by Brighton (24 853), Scarborough (24 257) and Trigg (23 483).

Congratulations to all students who have helped earn points for their respective Houses.

Students can earn House Points through participation in activities and as a reward for positive behaviours.

**Free hot drinks, water bottles, fruit, muffins, R U Ok Day merchandise and healthy snacks**

# FAMILY AND COMMUNITY ENGAGEMENT

## Homework Club

Just a reminder that our school has a Homework Club in the library space for students to use on Monday and Tuesday.

This is a time for them to sit and do their homework and there will be some staff assistance.

We really encourage students to use this time and we remind them that class behaviour policy and rules apply.

## Library

Check out what's happening in the library lately especially online. There are a range of great resources available for you to access.

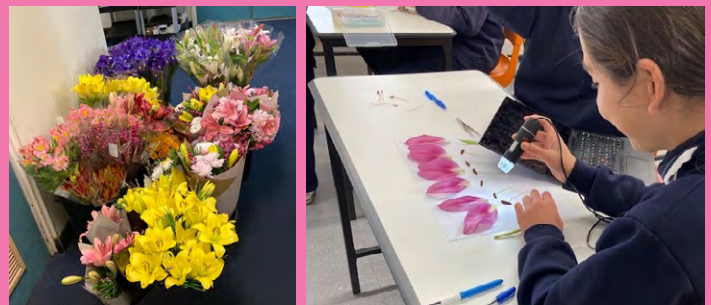

Online study skills, newspapers, audio and eBooks and digital magazines – all on this link.

<https://cshs.softlinkhosting.com.au/oliver/home/news>

See our Learning Paths – these are like mini websites of tools and resources we have put together.

*Thank you!*

*Thank you to Mr Ronald Hayward from Herdsman Flower Market who generously donated flowers to the Science Department for the Year 8 Flower Dissection lesson this term. Mr Hayward has been doing this for the past two years. We thank him for his generosity!*

## Learning Paths

Add and edit guides

These are resources put together by us to assist you with your tasks.

## FORMATIVE ASSESSMENT Example – Year 7 Science – Student Self Reflection – David Cox

In the lead up to summative assessments we provide students with a traffic light check, a sample of which is shown below. Students are asked to tick or highlight the face that best describes how well they understand the content statements taken from the student program. This information is then used by the teacher and student to target revision activities.

Syllabus Content	Student Rating		
Forces			
• I can define the term force and describe everyday examples of a force.	😊	😐	😞
Forces in Action			
• I can identify when balanced and unbalanced forces are acting on an object.	😊	😊	😊
• I can describe the effect of a force on an objects speed, direction, and shape both when the forces are balance and unbalanced.	😊	😊	😊
• I know that the unit used to measure force is the newton (N).	😊	😊	😊
• I can draw force diagrams with arrows to represent the size and direction of forces.	😊	😊	😊

# FAMILY AND COMMUNITY ENGAGEMENT

## DAD'S ONLY BOWLING

Dad's Only Bowling on Friday  
16 September 5.30pm to  
7.30pm at the Cambridge

Bowling Club. All fathers and father figures are welcome!

Booking can be done using the QR Code.

<https://thefatheringproject.org/>

## TIPS

1. Check in every day
2. Reading their signals
3. Talk about body boundaries
  - Demonstrate a positive attitude towards your own challenges. Talk about them as opportunities to learn and improve.
  - Build coping skills. Talk to your child about how to develop strategies for dealing with difficult situations.
  - Allow them to take on health challenges and risks. Provide opportunities for them to build confidence by taking on challenges and encourage them to work through problems and dilemmas.

## KARRINYUP LITTLE ATHLETICS CLUB

JOIN US FOR THE 2022/23 SUMMER SEASON

SKILLS \* FITNESS \* FRIENDSHIPS \* FUN

We welcome 6-16 years old of all levels of ability and experience

Develop skills in a range of running, jumping and throwing events

Club training is Mondays and an optional session Thursdays (for U10 and above)

Weekend competitions in a fun, friendly environment at Charles Riley Reserve

**SEE YOU AT OUR 'COME AND TRY'  
SESSIONS: 12TH & 19TH SEPTEMBER!  
5PM @ KARRINYUP RESERVE**

Contact us to register or arrange a free trial at any of our sessions: [klacregistrar@gmail.com](mailto:klacregistrar@gmail.com)

Western Australian  
Aviation College

The Royal Aero Club of WA is running a Young Eagles Holiday Program during the upcoming September/October school holidays from 27th to 30th September 2022.

The program runs from 9am - 3pm over the four days and is for 10-14 year olds interested in aviation. It is a hands-on activities-based program including activities onsite and also excursions along the strip in Jandakot and across to Perth Airport and includes a scenic flight over Perth and the beaches on the final day.

Spaces are limited, for more information and to enrol please see our website:

<https://www.royalaeroclubwa.com.au>

## UWA PARENTS SPACE

Help your teenager figure out what to study or navigate their transition from high school to uni! Find advice, tips and all the info you wish you knew when you were a teenager, shared by other parents and guardians like you.

Do you have a few hours free a fortnight? Why not join us as a Venue Volunteer.

Lots of fun community and school events are held in the concert hall & other venues on weekdays, nights and weekends.

A variety of volunteer tasks exist that may match your skills:

TECHNICAL - basic AV operations & stage-hand help

• EVENTS - admin, ushering, parking, ticketing, front of house supervision

If you have a police clearance and working with children card and would enjoy being part of the wider school community, please email: [concerthall@churchlands.wa.edu.au](mailto:concerthall@churchlands.wa.edu.au) to express your interest.

University

## Be a Murdoch University Student for a Day

**Experience what it is like to be a university student for the day.  
Take part in hands-on activities, meet new friends and explore  
Murdoch University's campus.**

If you are currently in Year 9 or 10, A Day in the Life of a Murdoch University Student is  
the perfect opportunity for you to explore your interests and where these might lead you.  
You will create a customised university timetable based on subjects of interest, speak with  
current Murdoch University students about their study journey and be inspired by  
our academics.

**We have a wide variety of workshops on offer, including:**

- Business
- Chiropractic Science
- Criminology
- Engineering
- English & Theatre
- Entrepreneurship
- Environment & Global Security
- Forensics
- Games Art & Design
- Graphic Design
- IT
- Laboratory Medicine
- Law
- Nursing
- Psychology
- Screen Production
- Sport & Exercise Science

**8.00am – 3.30pm  
Wednesday**

**28 September**

**or Thursday**

**29 September**

**Murdoch  
University,  
South Street  
Campus**

Please note: The event will run on both Wednesday 28 and Thursday 29 September.  
**Please choose only one day to attend.** Places are limited, so sign up now to secure your  
workshop preferences.

**Register today**
