Secure your 2022 Year Book by 27 October

Year Books for 2022 will be ordered in Term 4 Week 4, for delivery in Week 9.

This much valued magazine is produced each year in colour and contains photos and articles of the activities that have taken place during the year at school. Year group, year activities, overseas tours, sporting achievements, school production and ball photos are included.

This year, for our Year 12 students, we are combining the Graduation Book with the Year Book to make one very special memento of their time here at Churchlands Senior High School.

Payment for the Year Book can be made with your Contributions and Charges via the Qkr! App.

Any questions regarding payment for the Year Book, please contact Megan Wiebrecht on 9441 1753.

Churchlands defends Victory Athletic Cup Trophy

Churchlands Year 7 AFL Squad played in the Grand Final of the Victory Athletic Cup against Carine SHS. In a hard fought game, Churchlands defended the Cup and came out Premiers.

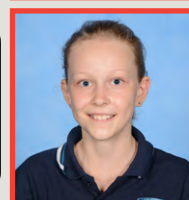

Score: Churchlands SHS 4.5 (29) def Carine SHS 3.4 (22).

Oscar Wilson was voted Best on Ground in the Grand Final.

Congratulations to Year 7 Lucia McCarthy who has been selected in the WA School Sport team for Cricket 12s.

Good luck and hope you have a terrific time.

Congratulations to Jordannah Fauntleroy-Brown in Year 10 who has been selected in the School Sport WA Diving team.

Well done Jordannah and we wish you all the best.

Congratulations to Ms Tracey Baker who recently won the substantive position of Head of the Arts Learning area.

Congratulations to Mr Tim Morton who has won the position of the school's VET Coordinator. Previously Tim was a member of the Health & Physical Education team.

What's happened

News in brief...

- The Churchlands SHS Board met on Thursday 8 September and after their meeting joined in the R U OK? Day celebrations. They were very appreciative to the Hospitality students and staff who provided the very tasty food. The School Board recognises the contribution that staff make in creating a warm environment which aids the question R U OK?

Thank you to all the staff and students that made the day possible by creating colourful displays, decorating offices, organising games and endless activities in support of this great initiative.

- On Thursday 15 September, four Year 11 candidates for School Captain presented a short speech to their peers outlining why they are suitable for this important role in 2023. Next year, two School Captains will replace our traditional Head Boy and Head Girl roles. They all presented themselves extremely well and voting is now open for their peers and staff to select their preferred candidates. Good luck to them all.
- The Year 9 & 10 Swim Program students headed up to Coral Bay for the annual Swimming Camp. Each day consisted of a different activity. These included underwater scooter rides, sea kayaking, swimming with manta rays, turtles and reef sharks, glass bottom boating, sandcastles, sand couches and more. On the last day students swam the annual Coral Bay 2K! A 2km swim through the turquoise waters of Coral Bay.
- Over the past two weeks the Year 12 ATAR students have been completing their mock exams. These provide students with the opportunity to apply the skills they have developed, with the support of their teachers, throughout the year. We hope that this provides the platform for our Year 12s to continue to work hard to reach their potential.
- The Year 12 Workplace Learning students are currently completing their placements in the community. During this time, they gain valuable experiences and acquire new skills to help prepare them for life beyond Churchlands SHS. We thank all the businesses and organisations who support this program, without them we would not be able to provide students this great opportunity.

Congratulations

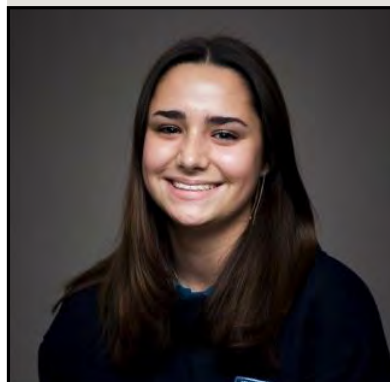

Congratulations to Year 11 student Shreeya Naroath who has been appointed as one of the student councillors along with 38 others to represent the interests of more than 300,000 peers across the state and offer the Education and Training Minister a student's perspective on policy and reform.

Congratulations to our Year 9 student Sofia Birighitti on being announced finalists for the 2022 WA Youth Award - ECU Community Leadership category. Sofia is nominated for her contribution as a peer leader, her commitment to uplifting peer groups and her involvement in the community.

Good luck to Sofia! The winners will be announced at the WA Youth Awards gala dinner on Friday 14 October at the WA Museum.

**THE WA

Congratulations to Year 8 Jaslyn Chen who won the Laureate of the 1st Prize and an Excellent Performer Prize for the junior category in the 13th World Open Online Music Competition held in June 2022. Jaslyn competed with 143 other pianists from 25 countries.

The annual competition is organised by the European Association of Music Educators and Performers & Producer Agency MIR Production.

Well done Jaslyn!

House Coordinators

The House Coordinator is the first point of contact for you in relation to your child's wellbeing, general academic progress or attendance. They will then refer to the appropriate support staff or Head of Year if required.

The House Coordinators' major role is to look after the pastoral care needs and wellbeing of the students in their particular house group. They also monitor student welfare, attendance, academic progress and liaise with all other members of the school community. Parents are invited to make an appointment with the relevant House Coordinator if they have any concerns, especially those which go beyond one class. Parents are encouraged to contact the class teacher if they are concerned about a particular subject. Please see your child's Student Diary for the list of 2022 House Coordinators.

Magpie nesting and swooping season

We would like to remind the community to take extra care when outdoors during magpie nesting season from August to November.

The following tips will help you stay safe and reduce the impact of a swooping magpie:

- Look out for any caution signage placed in parks and reserves, stay clear of nesting sites and plan alternative routes
- Do not provoke magpies as they swoop to protect their young
- Wear sunglasses, a wide brimmed hat (especially kids) or carry an umbrella

Travel in groups if possible as the birds often target individuals

- If you are riding a bike, dismount and walk through nesting magpie territory
- If you are swooped by a magpie, stay calm, walk away but do not run, and avoid looking towards the swooping birds.

To report a swooping incident within the City of Stirling, please call 9205 8555.

FAMILY AND COMMUNITY ENGAGEMENT

Association
Incorporated

The new Churchlands SHS song will be unveiled at the next P&C Meeting. Come join us for this special performance by Churchlands SHS music students on **Monday 24 October at 7.30pm** at the Taryn Fiebig Concert Hall. There is also a chance to meet other parents and gain insight into what's happening at school!

Song by Adrian Kelly and lyrics by Churchlands SHS students.

TIPS

1. Be positive and intentional with your communication. Intentionally make your interactions with your nephews, nieces and other children positive.
2. Be a role model. Both girls and boys look up to male role models. Remember, children are always watching your every move.
3. Seek out father figures for your own children. It takes a village to raise a child! Children benefit from positive male role models, they could be your mate, a sports coach or their friend's dad.

CASUAL RELIEF WORK

Seeking reliable, experienced people in:

- **EVENTS MANAGEMENT:** admin, front of house supervision, ushering, parking, ticketing etc
- **THEATRE TECHNICIAN:** Stagehand and basic AV operations

Lots of fun - community and school events are held in the Taryn Fiebig Concert Hall & other venues on week days, nights and weekends.

For further information, please contact our friendly staff at the school via email: enquiries@churchlands.wa.edu.au with attention to Manager Corporate Services.

FORMATIVE ASSESSMENT Example 10 - Humanities & Social Sciences: Year 10 Modern History -

The Year 10 Humanities & Social Sciences (HASS) students commenced the study of History in Week 9 of Term 3. As part of this course, they are required to investigate the factors which led to the outbreak of WWII in 1939. One of the most significant of these factors included the signing of the Treaty of Versailles (1919).

The formative assessment retrieval task below was completed by the students at the start of one lesson. It requires them to match 'large' factors with their correlating 'small' factors to show they understand the cause and effect of some of the basic terms of the Treaty.

'Do Now' Retrieval: History task 5

**Make the connection -
Match a large with a small.**

The German people felt humiliated

Germany is forced to pay reparations to the allies

German people felt vulnerable

Germany was made smaller and weaker

War Guilt Clause - Germany to blame

Germany lost land at home and abroad

German was weakened economically

STEM WORKSHOP

For Years 9, 10, 11, & 12

School of
Engineering

Inviting students interested in Engineering, Physics, or Mathematics to come and explore engineering and applied science concepts through a series of hands-on and engaging workshops during the school holidays.

The activities are STEM (Science, Technology, Engineering & Mathematics) focused and have been designed and developed by ECU's School of Engineering for their CREATE program.

Through these workshops, students will have the opportunity to engage with multidisciplinary

studies relating to a range of different engineering fields, the courses they are aligned to, and the diverse career opportunities they will have the potential to experience as engineers.

Do not miss out on the opportunity to attend these workshops. Register your participation at <https://www.trybooking.com/CBUPC>
