News in Brief

UWA Year 8 Discovery Day for Aboriginal and Torres Strait Islander Students

Seven of our Year 8 Aboriginal and Torres Strait Islander students attended a full day excursion at the University of Western Australia on Wednesday, 13 November.

This experience introduced students to the university environment through a diverse range of hands-on activities at different departments on campus. The students had a lot of fun exploring athletic ability testing in sports science, some daring chemistry experiments whilst others harnessed their creativity with some screen printing in fine arts.

- Reminder for Students -

Students are reminded that they are still required to

Sign In and Out of their respective Student Services, even if parents have notified the school of their absence.

- Thank You -

Science Formative Assessment

Example: Year 8 Science

In a Year 8 Science class on ecosystems, the teacher used a visual check-in strategy to elicit evidence of student learning during a lesson on food chains and food webs. Midway through the class, students arranged a set of cards representing different organisms into a food web, explaining their choices to a peer. While circulating, the teacher asked targeted questions such as, "What happens if this organism is removed?" to gauge understanding and identify misconceptions. This process provided the teacher with valuable evidence of student thinking. Students then received immediate feedback and follow-up questions to clarify their understanding before moving on with the lesson.

Library

Remembrance Day

We provided for students two lovely displays to commemorate Remembrance Day in our library space.

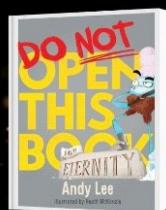

WAYRBA Competition

Western Australia Young Readers Awards. All students were eligible to take part in our WAYRBA Competition earlier this year and we had great fun reading and voting for our best reads. We had our celebrations last term; however, this is a statewide competition, and all the votes are in from other schools. Churchlands students congratulate the authors who have won in their category.

Bookclub

This time we had delicious food and students shared their favourite quote from a book. The next club will be on Thursday Week 9 Break One and students will share their best Christmas/holiday read and try and entice someone else to read it this summer!

Makerspace

This weeks challenge is on, students are invited to participate with our makerspace activities and our challenges Thursdays Break One.

Transperth Bus Time Changes - 717 & 719-

We are making some minor time changes on the 9 December to school specials 717 & 719 to accommodate an earlier start at Newman College next year.

Churchlands Senior High School Service Changes

Monday 9 December

School Special 717

Will undergo time changes, with the morning trip departing Scarborough Beach Bus Station (Stand 3) at 8.07am.

Students residing in Karrinyup can continue to use Route 422 departing Karrinyup Bus Station (Stand 3) at the revised time of 7.48am. Provided students board this service, they will not need to transfer buses at Scarborough Beach Bus Station.

School Special 719

Will undergo time changes, with the morning trip departing Stop 19305 (Hastings St / Bella Vst, Scarborough) at 8.02am.

Lost Property

We're in the middle of Term 4 and the accumulation of lost property is piling up. If your child has lost or misplaced any articles, please have them come to the table in the corridor outside Student Services Middle Secondary.

Any lost uniforms that are named have been returned to students. All other items will either go to charity or be binned, depending on condition. The Lost Property table will be cleared at the end of the last day of school.

Thank You.

Congratulations

- Congratulations to Ursula Sadlo (Year 11). Ursula recently attended the National Clubs Carnival on the Gold Coast at the start of term where she competed in the Senior International Women's Artistic Gymnastics division. As a first year senior Ursula came second on Floor and seventh overall.

From these results Ursula has been selected to attend a competition and a two week camp in Ottawa and Montreal, Canada. The purpose of this tour is "to provide a developmental team-focused international competition and training camp opportunity for the progression of less experienced senior International athletes towards 2026 Commonwealth Games and 2028 Olympic Games".

TOP TIPS FOR CYBER SECURITY

PRACTICAL WAYS TO PROTECT YOURSELF ONLINE

cyber.gov.au/learn

AUTOMATIC UPDATES

Update your apps and devices

Updating your apps and devices can fix issues and address new security concerns or weaknesses that hackers could use to access your devices or accounts. They can also add new features.

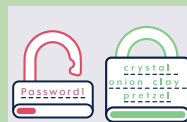

Turn on multi-factor authentication (MFA)

MFA means having more than one check in place to prove your identity on an account. For example, you may need a code from a text message and your passphrase. It makes it much harder for cybercriminals to access your accounts.

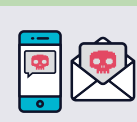

Set up and perform regular backups

A backup is a digital copy of your most important information either to an external storage device or a server on the internet like the cloud. It means you can restore your files if something goes wrong.

Set up secure passphrases

When MFA is not available, use a passphrase to secure your account. A passphrase is a strong type of password that uses four or more random words. This makes them hard for cybercriminals to guess but easy for you to remember.

Recognise and report scams

Criminals often use email, SMS, phone calls and social media to scam people. They usually do this by contacting you and pretending to be an individual or organisation you know and trust. Always be alert when clicking on attachments or links within emails or messages.

Level up your cyber security by...

- Thinking about what you post online.
- Signing up to our free alert service to receive alerts on new threats.
- Talking about cyber security with your family and friends.
- Avoiding public Wi-Fi when you're banking or shopping online.
- Reporting cyber attacks and incidents to keep Australia secure.
