Year 10 Business Management Students' Market Stalls

- Supporting Young Entrepreneurs -

Our incredible Year 10 Business Management students have been putting their entrepreneurial skills to the test this week with their market stall projects. They've been working tirelessly, selling everything from delicious treats (cupcakes, brownies, and churros) to trendy accessories (jewellery and hair accessories), stationery, clothing, and sweet treats. The dedication and creativity shown by these young business minds have been truly impressive!

There's still one more exciting week of sales to go. You can find their stalls outside the IT office during recess and lunch. Most stalls are cash only, so come prepared to support these budding entrepreneurs. Look out for their eye-catching posters around the school for more details.

We're so proud of their hard work and professional approach to this real-world business experience!

Certificate II in Conservation & Ecosystem Management

This two year course gives students an opportunity to gain experience in a number of activities associated with working in the conservation industry.

Recently students have been conducting a survey of Ellenbrook Reserve (the bush adjacent to the school), making their own herbarium and servicing equipment – much to their disappointment though, they didn't get to actually use the Chainsaw!

What's Coming Up?

Students Using eRideables

eRideables can include eBikes, eScooters and eSkateboards

These have become a very popular means of transport and there are now WA Traffic Laws associated with them.

These include:

- Only students who are 16 and over are legally allowed to ride eRideables.
- When riding, a helmet must be worn.
Due to their increased use at Churchlands, we will implement the following requirements to ensure safety and legal compliance.

Acceptable use at Churchlands will now require the following:

- Only Year 11 and/or 12 students will be allowed to bring these onto the school premises.
- For safety purposes students must walk these off the school grounds in the afternoon.
- Students must store eRideables in our locked bike compounds not outside.

This week the school aims to educate students around these changes but from next week normal school behaviour management processes will be applied.

- Reminder for Students -

Students are reminded that they are still required to

Sign In and Out of their respective Student Services, even if parents have notified the school of their absence.

- Thank You -

Year 9 HASS - Biome Study

Students have enjoyed their Geography studies this term, becoming experts in their chosen biome. Creative posters were produced showing aspects such as location, climate, adaptation of species and human modifications. We hope to have some on display in the library for all to see the wonderful work some of the students have done.

Year 12 Geography: A Day Out In The Field - 'From the Beach to the Bush' -

The students enjoyed a day out at the beach recently to study the impacts of climate change and adaptation strategies to deal with climate change. Mettam's Pool and Waterman's Bay proved the perfect spots especially in such awesome weather, given the last few years we have been rained out!

From the coast we headed to the bush to visit two Bush Forever sites – Star Swamp Reserve in (North Beach) Lake Gwelup to consider a strategy that addresses land cover change. These sites ticked more than one syllabus point as the wetland areas were bone dry due to lack of rain especially at this time of the year, coupled with record breaking temperatures experienced in Autumn.

Article 5: Formative In Action - Peer Marking -

After a lesson on the seasons, Year 7 students completed a quiz to check their understanding. They then peer-marked the quizzes and used the success criteria to identify one area their partner could improve.

As part of the process, they also selected an activity from a list of targeted tasks that their partner could complete to strengthen their understanding. This strategy activated students as learning resources for one another and encouraged them to think critically about the quality of work. Referring to the success criteria helped students identify specific gaps in understanding and clarify what to work on next. This made the feedback process more meaningful and supported students in taking ownership of their learning by setting clear, actionable goals.

Success Criteria

Describes how Earth's tilt and orbit result in seasonal changes.

Explains why opposite hemispheres experience different seasons at the same time.

Accurately labels diagrams showing Earth's tilt and orbit around the Sun.

Uses diagrams to explain how seasonal variation occurs.

Public Transport Etiquette for Churchlands Senior High School Students

Please remind your young person the etiquette when using public transport:

- Give up your seat for an elderly person, or someone with a disability, or a parent with a baby and pram.
- Students must stand up for adults.
- Be nice to your fellow passengers.
- Be patient, don't push to get on or off. Wait until all passengers have exited before getting on.

Embrace the Churchlands value of Social Responsibility, be community minded and show respect.

Return completed EOI to
the Languages office by
FRIDAY May 30.

Lost Property

We're almost half way through Term 2 and the lost property table is starting to fill up.

If your child has lost or misplaced any articles, please have them come to the table in the corridor outside Student Services Middle Secondary.

Any lost uniforms that are named will be returned to students. At the end of the term, all other items will either go to charity or be binned, depending on condition.

Lost property of any value (phones, airpods, jewellery, glasses etc) can be found in the Main Administration and Student Services.

Thank You.

Important

Drop Off and Pick Up
Reminders

Parking around the school can become quite congested. For the safety of your children and our staff, please see below for a safer drop off and pick up:

Sports Hall - STAFF ONLY

Front Main Administration: STAFF with some Visitor parking (not suitable for drop off/pick up).

Memory Close: STAFF & Student 'P' Platers ONLY

For parents wanting to drop off/pick up students, please use either the Hale Road Drop & Ride near the tennis courts or Lucca Street (please be mindful of other students and buses when entering/exiting).

Parents are reminded that parking in bus bays is not allowed during the times specified on the relevant signage. The potential for accidents involving our students as well as the cars and buses is a significant concern.

Library News

Premier Reading Challenge

Our challenge is well underway with over 300 students logging what they have read or listened to.

It's not too late to start.

Three of our students in Year 7 have won prizes in the weekly prize draw and I'm sure there will be more! Congratulations to Clarissa, Alana and Violet. Your vouchers have been emailed to you, or you can see Mrs Morris in the Library.

WAYRBA Competition

This year's competition has great books in all the categories. During our library sessions our Year 7s have listened to a reading of the picture book *When Cucumber Lost His Cool* and then they voted on it!

The competition is open to all WA school students.

Come in and check out the display in the reading space.

You can see what wonderful titles there are by clicking on the link.

ARE YOU AN AUTISTIC TEENAGER INTERESTED IN ART?

We would love for you to **attend art workshops** being developed for a program called Arts4Life. We want to **know your thoughts** on the workshops so that we can ensure the program is engaging and appropriate for autistic students when it is delivered in WA schools.

WHAT'S INVOLVED?

- **Attending a 2-hour art workshop** with other autistic students.
- **Participate in a 1:1 face-to-face interview** (maximum 1 hour long) to share your experiences and thoughts on the program. You are welcome to attend with a parent or support worker
- You will be reimbursed for your time and efforts upon completing the interview.

ARE YOU ELIGIBLE?

- You're in **Year 9-10** and have an **autism diagnosis**
- Can speak and understand English
- Are comfortable responding and sharing during an interview

WHAT ARE THE BENEFITS?

- **Your voice makes a difference.** Your views will be used to modify the program so it can prioritise the interests and preferences of autistic teenagers, ensuring autistic students have a more enjoyable experience in the school program.
- Experience collaborative artmaking with autistic peers

WHEN AND WHERE?

You can attend **ONE** of the two sessions held @ **Curtin University** on:

- **June 3rd 2025, OR**
- **June 21st 2025**

INTERESTED?

--- Second-hand Textbooks and Uniform ---

We have partnered with Sustainable School Shop to provide families access to second-hand textbooks, uniforms, calculators, musical instruments, sports gear and much more!

Sustainable School Shop have preloaded items specific to our school onto their site. This makes it super easy to list your items for sale and to buy items.

See all the second-hand uniform items for sale here:

<https://www.sustainableschoolshop.com.au/stocktake/churchlands-senior-high-school>

See all the second-hand textbooks for sale here:

<https://www.sustainableschoolshop.com.au/booklist/churchlands-senior-high-school>

So jump onto the site, register and list your items for sale, you will be:

- reusing items rather than adding to landfill
- making money on items you sell
- saving money on items you buy
- providing another family in our school with cheaper items
- helping to create a culture of contact amongst our school community families!
