

News in Brief

Albany Leadership Camp

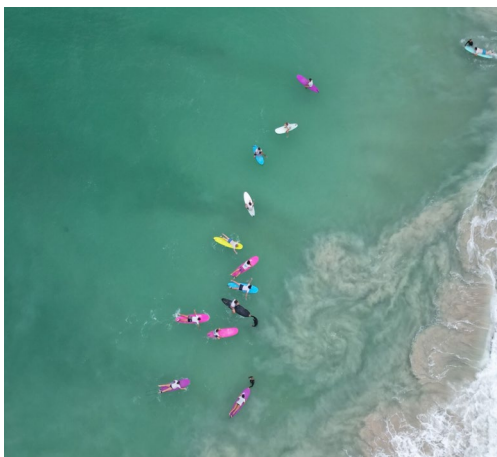

Camp Quararup in Albany was the destination for 67 students from years 8-12 who participated in the annual Student Leadership Camp. The event is designed to give students the opportunity to bond as a leadership team, develop leadership skills, establish positive relationships with staff and students and commence planning and goal setting for 2023.

Students participated in a leadership master-class run by our School Captains, raft building, nature hike, canoeing, quiz night and doing dishes. The camp provided a valuable opportunity for our school's student leaders to learn, grow and plan for implementations they would like to put in place for 2023. A big thanks to the six staff who donated their weekend and travelled with the students.

Year 9 Outdoor Education Classes

In year 9 Outdoor Education classes students do a combination of surfing, body boarding, bush walking and rock climbing. Surfing lessons are now underway at Brighton Beach with Go Surf! Check out the drone footage below.

Formative vs Summative Assessment What is it?

Formative

Formative assessment is used to monitor student progress during a teaching and learning cycle. It can be used to give a student feedback about how well they have performed or what they need to do to improve. It can also help a teacher judge how much students have learnt and whether all students are able to show their ability.

Summative

Summative assessment is used to make a 'final' determination of student achievement. It usually comes at the end of teaching and learning cycle. The length of a teaching and learning cycle may vary. Summative assessment should enable students to show their ability.

What it can look like?

- Short quizzes, either online, written or verbal
- Information provided by your sports coach or music teacher on how to improve your technique
- Learning journals
- Self and peer feedback activities
- Homework activities

- End of topic test
- Exam
- A senior recital
- A final project
- In class essay
- A completed painting
- OLNA and NAPLAN

School Canteen Online Orders Update

The new provider, Flexischools will be offering a \$5 bonus per student that signs up in the first 4 weeks after we launch. Hopefully this will be in the next couple of weeks. It is user friendly and has its own app so look out for more news and details soon.

Jarrod Doyle
Canteen Manager

Dear Parents, Guardians, Students and Community Members,

New Zealand Ski Tour for 2023 is unlikely to go ahead.

While Churchlands SHS fully supports the tour, the Department of Education has put all International Ski Tours on hold (cancelled). At this point in time, School Ski Tours are will not be approved for this year and beyond.

I'm so sorry to deliver this news to those students who had been planning for, saving up for and looking forward to going on Ski Tour. This tour has historically been a valuable cog of the whole student approach to teaching and learning at Churchlands SHS, so it will be sorely missed.
