News in Brief

Music Students on their way to Japan

The much awaited Music Tour to Japan has started with 119 excited students and 19 staff departing for Tokyo over the weekend. The 12 day action packed tour will visit three cities and include several performances, workshops and music classes. Students will perform at high schools and public venues to showcase their musical talent.

The students will also enjoy wonderful cultural experiences, including visiting the ancient shrines and temples, the Imperial Palace, having a Taiko drumming lesson, riding a bullet train (a few times), and even visiting Tokyo DisneySea. There might also be time for shopping!

Year 10 Carnival 20 June

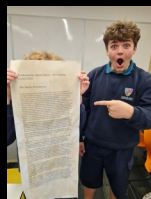

Despite the cold and wet weather last week, Year 10 students braved the elements to play an array of sport across various locations in the northern suburbs.

The carnival sees students play against neighbouring schools in a social capacity. Students are asked to display sportsmanship, inclusion and fair play in all the activities including AFL, Soccer, Basketball, Hockey, Volleyball and Netball. Thank you to Year 11 and 12 Cert II Sports Coaching students who also participated as umpires.

Year 9 Ancient History class

Well done to our hard-working Year 9 Ancient History class this term. We finished off our unit on Ancient Mythology and Ancient Worlds by researching deeply into a significant individual. Students needed to create a presentation, deliver a speech to the class and create a written piece. Popular choices included Cleopatra, Alexander the Great, Siddhartha and Julius Caesar. The class worked really hard to make their writing look and sound authentic, and I would like to acknowledge the spirit of the entire group. It is always a challenge to get up in front of the class, but the support for one another created a safe, friendly and encouraging environment. Well done Year 9 ancient historians!

Free Sanitary Products for WA Students

Free pads and tampons are being offered to Churchlands SHS students in Years 7-12. The initiative hopes to improve accessibility and keep students engaged in their learning. There are four dispensing machines around the school, two located in Medical Centre and one in both Junior and Middle Secondary Schools.

Congratulations

To all our Year 9 - 12 Dance, Drama and Circus students who performed at the Semester 1 Dance and Drama Night on Thursday 22 June. The Taryn Fiebig Concert Hall was sold out as parents, staff and friends were wowed by the student performances. Well done to everyone involved!

To Year 12 students Jessie Gibson, Connor Thompson and Harry Hopwood along with 2022 graduate Alfie Cronin who collectively are the band 'CENTRE'. Performing their song 'Illusion' they won WAM Song of the Year in the Schools 15-18 category last week. WAM Song of the Year is an annual competition, promoting the talented, original song writing of West Australian artists that embraces contemporary music of all genres, levels and ages. Well done to you all!

<https://www.abc.net.au/triplejunearthed/artist/centre-0/>

To the students of the Year 7 AFL Program who defeated Hale School in a friendly match at Luketina Reserve in Wembley Downs on Friday 16 June. Final score was 56-26 to Churchlands.

Well Done to all involved!

School Board - New Chair Person

On behalf of the CSHS community and Board I would like to thank, Katherine Sturley for four and a half years of distinguished service. Over the last two years, as Chair of the Board, Katherine has nurtured a truly inclusive and ethical culture that has encouraged the Board to embrace change and continuous growth throughout unprecedented times. She has led with compassion and wisdom in order to influence the right people, at the right time, to achieve the best possible outcomes for the school and broader CSHS community.

As a Board, we can only be as effective as the quality of information and ideas that are presented to us. To this end, I would like to thank those individuals who contribute to the many and varied School Committees. A number of these committees regularly make presentations or send reports to the Board about topics of interest, future directions, their hopes and dreams for young people and their families, events, and decisions about funding initiatives to support students and the school.

Getting involved in a committee of interest can help you discover more about school events and activities. This knowledge can provide ideal opportunity to start conversations with your child/children about their day-to-day experiences at school. In addition, getting involved is a great way to connect with other parents and to have your voices heard. It has been a joy and a privilege to serve the CSHS community as a board member over the last three years. I am looking forwards to this new role because of the collegiality and wealth of experience within the group of volunteers who make up the CSHS Board.

Dr Genevieve McSporran
Chair
Churchlands SHS Board

Australian Mathematics Competition Open to all students

The Australian Mathematics Competition is being held in Week 3 of Term 3. Students wishing to demonstrate their problem solving skills can register via QKR! Before the end of the week 10, 30 June 2023.

Cost: \$8

Please note: AEP Mathematics students and students in the Mathematics Specialist course in year 11/12 are automatically enrolled and do not need to register/pay.

NAIDOC Week Activities at Churchlands

Kya!

Various activities will take place this week to celebrate NAIDOC week. These include an AFL exhibition match with indigenous guernseys, NAIDOC assembly, Library displays, form quizzes, face painting, bracelet making, market day stalls, daily canteen specials and a sea of hands. 'Friday Beats Radio' will have an indigenous flavour this Friday and students will be permitted to wear the colours of the Aboriginal and Torres Strait Islands flag for a gold coin donation. All fund raising will go to the Indigenous Literacy Foundation.

Boordawan.

Quote of the week

"Traveller, there are no paths.

Paths are made by walking."

Year 10 Cake Stall World Vision Bake Sale

Students and staff took great advantage of purchasing sweet treats on offer to help raise \$500 for World Vision last Friday.

Well Done to Year 10 Leadership students,
Mr Cox and Ms Kolodij

Formative Assessment: Learning Intentions and Success Criteria Chemistry Example

Reminder: Learning intentions are used to describe the things that we want our students to learn, and success criteria describe the criteria that we use to judge whether the learning activities in which we engaged our students were successful.

This checklist was used in both Year 11 and 12 Chemistry when students were completing chemistry calculation problems based on the mole concept. Presenting the success criteria in a checklist format provides the structure for teacher to assess students or students to conduct peer or self-assessment. The feedback they gain enables them to understand what they need to do to ensure that they meet the criteria next time they complete a calculation. Checklists such as this may include examples next to each statement showing the students what each checkpoint looks like in context, further scaffolding the use of this strategy.

Checklist	Content
	Write a formula or equation if required
	Use notations such as $n(\text{NaNO}_3)$, $m(\text{Na})$ or $c(\text{HCl})$ before any working to show what you are calculating
	Working out starts on the left-hand side of the page and works down or across in a sequential manner
	All mathematical processes are clearly show on page such $3/1 \times 2 =$
	Any ratio used is clearly shown and the maths used to calculate it.
	Answer is provided to the correct number of significant figures
	Answer includes appropriate units
	Total

WA CRICKET FOUNDATION

The Western Australian Government is holding an Inquiry into support for autistic children and young people in WA schools. SWAN are writing a submission to this Government inquiry, which is due on the 13th July 2023. We want to tell them what is working and what isn't.

swan
South West Autism Network

Support for autistic students in WA schools

TAKE SURVEY

We need your help. Can you please fill in the survey and tell us about your experiences with support for autistic students in WA.

We want to hear from parents, carers, guardians, autistic students, school staff, therapists and other family members about your experience. If you have more than one role, we would love to hear your responses to this survey for each role, but you would need to respond on a different device for each role (This is the only way SurveyMonkey can do this, unfortunately). No personal details required.

If you would like to talk about this with one of the SWAN team, or would like support, please contact us by emailing info@swanautism.org.au or phone 0499 819 038.
