

## What's happened

### 50th Anniversary Music Concert at Perth Concert Hall

Marking an important milestone in the history of Churchlands Senior High School, 2022 celebrates 60 years of high-quality education and 50 years of excellence built upon by the acclaimed specialist music course, established in 1972.

The Churchlands GATE Music Program is the state's largest and most successful, with graduates in leading and principal positions contributing to the most high-profile national arts organisations.

Monday 27 June commemorated Churchlands' past and glimpse into the future, applauding the accomplishments of students and alumni, with a special focus on the acclaimed specialist music program. Over 500 of the state's most talented music students took to the stage, accompanied by special guest appearances by celebrated alumni.

The packed Perth Concert Hall audience was wowed by the Wind Orchestra, Jazz Band, Chorale and Wind Orchestra not to mention pre-recorded messages from Alumni from all around the world.

### Torres Strait Islander Flag raised at Churchlands as part of NAIDOC week celebrations

Former student Sianah Larkin was invited back to Churchlands to mark the inaugural raising of the TSI flag as part of NAIDOC week activities and celebrations.

Sianah's family originated from the Torres Strait Islands and have strong cultural connections to the community.

Churchlands will now proudly fly the TSI flag along with the existing flags at the front of Administration.

### Year 8 AEP Science Aboriginal artwork and patterns in cells and tissues

Students observe the similarities between the patterns in Australian Aboriginal artworks and the patterns in cells and tissues and created an artwork that represented a tissue of their choice.

### Optus Stadium sparkles Year 12s 'Lé Gala Royale' Ball

Year 12 students were more than ready to dress to impress as their long awaited high school ball finally arrived.

The world class venue at Optus Stadium did not disappoint and students were treated to mocktails on the terrace overlooking the magnificent Optus oval.

The light rain gave an almost ethereal back drop and whilst it did dampen some hair styles it did not dampen spirits. Students were entertained by a history of images from their six years at Churchlands played on the big screens above the oval, very special when you have the whole venue to yourselves!

Dinner and dancing followed late into the night. Congratulations Year 12s on your fantastic behaviour and conduct and thank you to all staff and students involved in the planning of this special and memorable night.

## Congratulations

to  
**Yun Han Wong from Year 12**

Yun Han was selected for the 2022 Volleyball WA U23 Women Junior State Team. She attended the tryouts and squad and made it to the state team of 12 players.

She will compete at the Australian Junior Volleyball Championship (AJVC) in Sydney from 6th- 9th July 2022.

Let's cheer for her and wish our Volleyball Women WA U23 team all the best in the competition.

Congratulations Yun Han!

to  
**Isla Mulligan from Year 11**

Isla has been selected in the Australian Cadet Water Polo Team to compete at the World Championships in Greece this August. She is only one of two from WA in the main team which is amazing.

Congratulations to Isla!

### CSHS Uniform Survey Have your say

Parents and Caregivers are asked to complete a 3 question survey regarding the current Uniform Policy. If you missed the email and want to participate

## Important

### First Aid Officers Required

Seeking reliable, experienced people in senior first aid preferably with a nursing background for relief positions in the first aid office. For further information or to discuss, please contact our friendly first aid staff at the school via email [enquiries@churchlands.wa.edu.au](mailto:enquiries@churchlands.wa.edu.au) with attention to First Aid Relief.

### Parent Teacher Interviews

Thursday 21 July - 4.00pm to 7.00pm

PTO Bookings **open**

Monday 18 July

8.15am

PTO Bookings **close**

Wednesday 20 July

9.00am

This is a normal timetabled day for students.

Interviews are highly sought after so on the 21 July please arrive promptly to your booked appointments and allow time to travel between rooms.

Parking will be at a premium so please allow extra time to park.

### NAIDOC WEEK CELEBRATIONS - AFL EXHIBITION MATCH

Students in years 7 and 8 from the Churchlands Special AFL Program came together for an exhibition match as part of the ongoing weekly activities to celebrate NAIDOC week.

The teams proudly wearing their footy guernseys, one with the student designed aboriginal artwork, were a combination of students from both year groups.

The Health and Physical Education Department added a nice touch by having the Aboriginal flag painted onto the oval. This was aptly captured by drone footage taken by Dr Grant Pusey from the Science faculty.

Best on Ground were identified as Evan Katauskas in Year 7 and Mason Bartle in Year 8. The boys received an Indigenous designed football and Guernsey presented by the Principal Mr Neil Hunt who has played a fair bit of footie himself in years gone by!!

**School Holiday Dates**  
**Monday 4 July - Tuesday 19 July**

## From the Canteen

Please remember that from Semester Two there will be a price increase in the cost of food and drinks. Factors influencing this increase include:-

- Change from single use plastic to biodegradable containers/wrappings
- Govt price increase on all drink packaging introduction of the "container deposit scheme"
- EFTPOS facility - operating costs for terminals/phones/merchant fees
- Rising cost of living - supermarkets have increased their costs significantly
- No price increases for the last 2 years

## Welcome to the 2022 Premier's Reading Challenge!

We invite students from Kindergarten to Year 10 to uncover great mysteries through the world of books and to sign up for the Premier's Reading Challenge. The challenge is to log 12 or more book titles from May to 9 September 2022, and readers will go in the draw to win extraordinary prizes, including family holidays and experiences across Western Australia.

No matter where you are from, you can experience the joy of reading and explore thousands of amazing stories. Grab from the library or download a reading record today.

No matter where you are from, you can uncover great mysteries and explore thousands of amazing stories through the enchanting world of books.

# FAMILY AND COMMUNITY ENGAGEMENT

## What's Coming Up?

### Formative Assessment English - Example 5

Year 7 AEP Science – Kym Lucchesi

After completing classroom activity to distinguish between mass and weight students were asked in the last 5 minutes of the lesson to complete this exit card. I collected and reviewed their responses.

In this next lesson I handed them back for students to do a think, pair, share activity with a students who had recorded a different response to help clarify their misconceptions. After they had a chance to share and discuss we reviewed and marked the question.

#### Mass vs Weight Exit Card

In the column on the left place a tick if the statement is correct and a cross if it is incorrect.

Statement
The mass of an object can change depending on gravity.
My weight would be the largest on the biggest planet in the solar system.
Weight is a force and should be measured in Newtons.
If my mass is 50kg on Earth it will be 50kg on the Moon.
My mass will be the greatest on the smallest planet in the solar system.
Weight is calculated by multiplying mass by the gravitational strength.
My weight will be the same on the Earth and the Moon.

# Being mentally healthy feels good.

## act

Do something to keep active mentally, physically, socially, spiritually, culturally...

- Go for a walk with a good friend, or furry friend
- Stop and have a chat with your neighbours
- Read a book you enjoy
- Do a crossword, puzzle, or play a card game
- Dance to your favourite tune

## belong

Do something with someone

- Join a social club – sporting, arts or book club
- Go along to a community event or markets
- Have a BBQ or get cooking with your family/friends
- Keep connected with your community and your culture

## commit

Do something meaningful

- Do something for the environment: recycle, plant native shrubs, make your home more energy efficient
- Set yourself a challenge to learn something new
- Do a kindness for a neighbour/friend
- Volunteer with a cause, sporting club, at work, or in your school community

Being active, having a sense of belonging and having a purpose in life all contribute to good mental health and wellbeing.

For hundreds of ideas of how you can Act Belong Commit, visit [actbelongcommit.org.au](http://actbelongcommit.org.au) today.
