CHURCHLANDS
SENIOR HIGH SCHOOL

What's happened

Churchlands marching band

On April 25, the two Churchlands marching bands took part in the first ANZAC parade since 2019. The drum majors were Jeremy Zhu and Charlys Greig.

The students had prepared for this each Saturday morning in Term 1 and, though nervous, enjoyed the experience. They were complimented on their appearance and playing by the RSL and veterans.

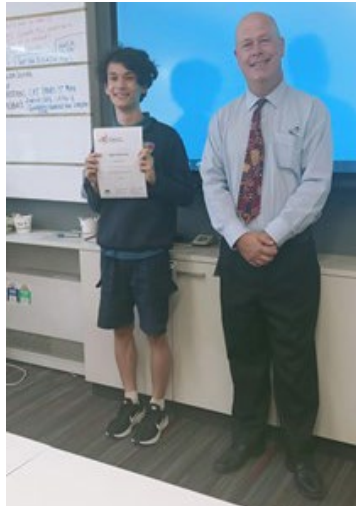

ANZAC Commemoration Ceremony

An ANZAC day commemoration ceremony was delivered by Year 11 students Nicky Archibald and Angus Kikeros over the PA last Wednesday. The ceremony was to remember all those who lost their lives in service to their country, in all wars. Students then listened to the Last Post, which in military tradition is the bugle call that signifies the end of the day's activities. It is sounded at military funerals to indicate that the soldier has gone to their final rest and at commemorative services such as ANZAC Day and Remembrance Day.

Congratulations

Kangourou sans Frontieres

In Term 1, some of our AEP Mathematics students participated in the Kangourou sans Frontières competition. Congratulations to **Rupert Small in Year 9**, who was awarded with a High Distinction,

as well as the following students, who all received a Distinction:

Year 10 Students

Gilbert Tang, Cameron Thompson, Myra Lee, Leo Clark, Hayden O'Donnell, Lachlan Caldwell, Pranjal Patel, Christopher Chang

Maths Enrichment Program

Thank you to all 170 applicants who submitted an EOI for the Maths Enrichment Program. The enthusiasm for problem solving is great to see. Selected students (and their parents) have been sent an email, please make sure to check and reply by tomorrow (Wednesday 4 May.) If you did not receive an email, unfortunately we are unable to offer you a place this year but please do look out for other opportunities within the school.

Library

If you want to see what your \$30 contribution to Library provides alongside the lovely range of novels and non-fiction books, then check out the two links.

One is the wonderful range of magazines we subscribe to and the other the range of resources such as an online Encyclopedia Britannica, access to newspapers online.

<https://cshs.softlinkhosting.com.au/oliver/home/browse/list>

<https://cshs.softlinkhosting.com.au/oliver/home/news>

Also, you can see the fantastic eBook and audio book platforms we have. There is a great range already on the two platforms but due to budget restrictions we won't be adding to them for this year.

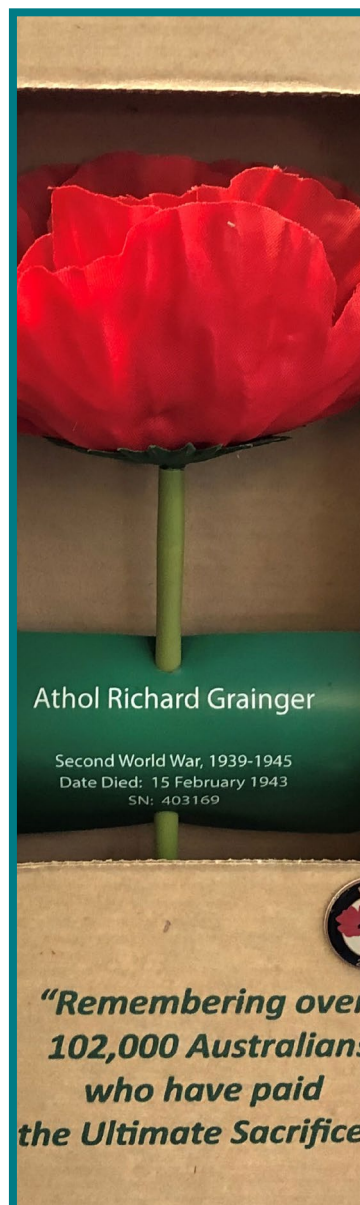

All of these are only possible because of your contributions – so please help keep our library going for you and your students.

Remember the whole family can access!

Library ANZAC display and Solider poppy

On behalf of the students, we purchased 3 soldier poppies. These are on display in the library along with information on each of the soldier we are honouring.

This was made possible from using funds from our hot chocolate machine! So thanks students.

'Socks for the Homeless 2022'

The value of a pair of socks is way more than the price: Homeless people struggle to find clean dry socks to wear. As a result, they can develop both trench foot and warm water immersion foot. A homeless person with a history of this is eight times more likely to die in the next five years compared with a person, who is not homeless.

How you can help? Donate socks - preferably new adult socks in natural fibres (cotton or wool).

This is a great project for our school as it is quite easy for students to donate socks.

Just \$5 will buy two pairs of socks.

Drop your money and/or socks to Ms Kolodij at the community service office anytime.

Both staff and students encouraged to participate.

FAMILY AND COMMUNITY ENGAGEMENT

Formative Assessment Science Example 1

In term 2 the school will share information with you about **Formative Assessment practices**.

The purpose of this communication is intended that parents and caregivers gain a better understanding of the different elements of the Formative Assessment Info-graphic and Formative Assessment when in practice.

Example One - Year 12 Chemistry - Kym Lucchesi

Each day for Year 12 Chemistry I outline the learning intentions and success criteria in their daily lesson outline in OneNote. An example appears below.

Tuesday - 1/3

Learning Intentions - What you are learning about

- Use chemistry terms and equations to identify and describe acids and bases.

Success Criteria - What you should be able to do by the end of this lesson.

- Outline how the definition of acids and bases has changed from Davy to Arrhenius and then Bronsted-Lowry.
- Use the Bronsted-Lowry theory to define the terms acids and bases.
- Identify acids and bases conjugate pairs in chemical equations.
- Identify the link between an acid and its conjugate base, (and base and conjugate acid).|

Quote of the Day

Always make a total effort,
even when the odds are
against you.

SAVE THE DATE - 27 to 29 May P&C Community Art Exhibition 2022

We are so pleased to see beautiful pieces of Art coming through - you can check them out on the Art@Churchlands Facebook and Instagram pages.

Please like and share the pages to help spread the word amongst your friends and networks.

Shout-out for extra pairs of hands ...

We are looking for people to help out in the lead up to the event and during the Exhibition - for as much or as little as you can do.

- We need people to help receive the art on 21 May, and hang the art in the following days.
- At the event we need people to help visitors and answer any questions/purchase queries, welcome visitors at the desk, help out around the event. And when it's all over to help pack it all up!

Please follow this [link to the sign-up sheet](#)

Guide
Dogs
WA

Guide Dogs WA we have recently launched the very first Western Australian Guide Dog Breeding Program and are searching for Volunteer Puppy Raisers!

Puppy Raisers provide the very first homes for future Guide Dogs, Autism Assistance Dogs, Therapy Dogs and Court Dogs.

Puppy Raisers welcome an 8 week old puppy into their home and with support, spend approximately 12 months introducing the puppy to the environments and experiences they will encounter as a working dog. They also teach the young pup basic obedience and socialisation.

We have found that many of our current Puppy Raisers are families with school aged children so we are reaching out in the hope you may be able to help us spread the word.
