CHURCHLANDS
SENIOR HIGH SCHOOL

5 SEPTEMBER 2023 Circulated fortnightly

News in Brief

Congratulations to the Churchlands SHS Mock Trial Team

Going further than ever before the school's Mock Trial Team progressed through to Round 5 reaching the quarter finals.

Although a strong and confident team, they were defeated by Rossmoyne SHS in a civil matter concerning a breach of contract. The CSHS team finished in the top 8 of over 100 school teams across the Perth area, expertly directed and mentored by Politics & Law teacher, Adele Cornelius.

Adele gave up much of her own time to do this and we appreciate and acknowledge her efforts and the work the students put in.

Well Done to everyone!

UWA Fogarty Foundation Scholarship awarded to Churchlands SHS Student

What incredible news! Year 12 student Shreeya Naroth has been awarded the UWA Fogarty Foundation Scholarship. This prestigious scholarship is awarded to only ten Year 12 students from across WA and it is a fantastic achievement that one of these has been awarded to a Churchlands SHS student.

The scholarship provides \$10,000 per annum to assist in university tuition, accommodation and general living expenses as well as academic, social and career support to retain exceptional young people to our state and nation.

This scholarship is a testament to Shreeya's hard work, dedication, and exceptional qualities. It's a great honour and an opportunity for her to further excel in her academic and personal pursuits.

Congratulations to Shreeya on this well-deserved recognition!

GATE Music student Sophie Lenz in Year 10 has won a place to appear as a soloist at the Allegri Chamber Orchestra Concerto Showcase on Sunday 10th September at the Leederville Town Hall.

Well Done and Good Luck
Sophie!

Congratulations Dr Pusey and students

Mid August saw the final race of the **Pedal Prix series** so diligently raced by some of our finest STEM students.

A new trike added to the fleet, dubbed "Carrots" in its glossy "Mandurah orange" finish was thanks to a Federal Science Engagement Dr Pusey that was awarded earlier this year, bringing the number of vehicles to four. Programs like this can't operate without support and the following staff need acknowledgement:

Mr Latif, Mr Newton and Mr H-Bell, for their support on the ground during the various races this year.

Mr Uren and the D&T department for volunteering their time and equipment for the trikes in various capacities in the lead-up to and during the weekend.

Churchlands Alumni: Shaun Giacomel (Class of 2020) and Aayush Padhiar (Class of 2022), for their support in various capacities.

Churchlands staff, and of course the heroes of the day, please congratulate the following students on an exceptional series:

Yr8: Ari Vickery, Jacob Upton, Noah Horan, Jerry Tsao, Tristan Hodgkinson, Eleanor Orange, Ali Hazeldine, Max Hall

Yr9: Cooper Grek, Elias Aickin, Hayden Uren, Ewan Johnson, Beau Seabourne, Isabel Thistleton

Yr11: Seth Allan, Sienna Ando, Benjamin Moore, Owen Thistleton, Callum Stewart Yr12: Jude Wright

Lost property table

Recognise anything on this table?

Students are encouraged to reclaim lost property from the table outside student services in Middle Secondary. Items not claimed by the end of term will be donated to the Salvos.

The school days starts at 8.55am

Message for parents:

Getting your child to school on time!

At CSHS the first siren to start the school day is at 8.55am. It is expected that students are at school by this time so they get to form class ready to start the day at 9 am.

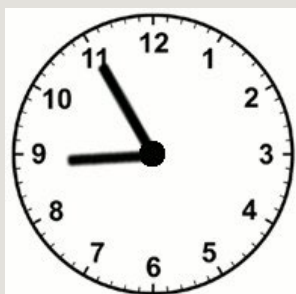

We are aware that there have been issues with some buses arriving late but this should now be resolved.

If any student across year 7 – 12 is late to form class, the form teacher has been instructed to mark them as late to class.

If the student is marked late on more than one occasion over the course of a week they will be issued with a recess detention by the Head of Year.

Failure to attend this will result in further consequences.

We appreciate the support of parents and guardians in getting our students to school on time.

Formative Assessment Eliciting Evidence of Learning Example 3

Reminder:

Eliciting evidence of learning is a formative assessment strategy that involves teachers using planned practices to collect information to establish where students are in their learning and use this to inform the next step.

Mathspace.co is an online platform which allows the teacher to create custom tasks which align with the lessons that are being taught in class. In one class the teacher creates a weekly summary task with questions to test the students' understanding of the concepts covered that week.

Once the questions are completed the staff member uses an analytical tool to identify strengths and weaknesses of the class and individual students. An image of what the class feedback could look like is shown below. This information is used to create further tasks to consolidate the areas of weakness in future lessons.

Top questions to address

What is the appropriate unit for measuring the volume of a match box?

9 students

Four paws on campus

Hi there. I'm Moose, a chocolate coloured Labrador Retriever. I'm training to become an assistance dog with WAAT Dogs (Western Australian Assistance and Therapy Dogs).

When I graduate, I'll team up with a person who needs my help. Maybe someone with diabetes, epilepsy, or autism, or someone living with mental or physical challenges. You might see me wandering around the school with my trainer who is teaching me how to behave in public places where dogs don't usually go, like shops, restaurants and schools.

I'm 9 months old, which for a dog is like being a teenager, so I should fit right in at high school. I can get a little distracted by people, noises and smells (especially food). Learning to ignore these and stay focused on my person is most important. You can help me succeed by giving me space, avoiding eye contact, and not touching me. Sometimes my trainer might challenge me and want you to provide some controlled distraction, but most of the time you should just go about your day without giving me attention.

If you have any questions, you can always ask my trainer who will be more than happy to chat.

Thank you to Ronald Hayward

Ronald Hayward (from The Flower Market-Herdsman) provided the Science Department with lots of flowers for Y8 flower dissection.

Thanks and appreciation go to Ron and his staff for their ongoing support of Churchlands SHS.

What's coming up?

Term 3, 2023

4 - 8 Sept - Swimming Cadet Camp, Coral Bay

4 - 15 Sept - Year 12 Workplace Learning

7 Sept - School Board Meeting 5.30pm

7 -10 Sept - Junior Concert Band and Orchestra Festival

11 - 21 Sept - Year 12 Mock Exams

14 Sept - R U OK? Day

15 Sept - School Tour 9.15am

22 Sept - Year 12 Final Breakfast and Day proceedings

22 Sept - Final day of Term 3

R U OK? DAY™

How to ask a friend if they're OK

1. Ask R U OK? 2. Listen 3. Encourage action 4. Check in

The most important thing is to trust your gut. If you notice a change or just feel that something's not quite right with your mate, take the time to ask, "are you OK?"

11-15 September 2023
