

THE EXHIBITION

The "ArteChurchlands" Community Exhibition is held every year by the Churchlands Senior High School Parents and Citizens, hosting unique works created by emerging and professional artists within the Churchlands and broader community from near and far. Submissions from Churchlands Senior High School students - current, past and future are also very welcome.

There is no theme required for entry and the Art Committee is calling on emerging and professional artists across the community to present works of excellence from varied media and practices including painting, drawing, photography, collage, ceramics, sculpture, glass, textiles and jewellery.
