SCHOOL POLICY

CONTRIBUTIONS AND CHARGES

The Legal Position

In the public school system the State Government through the Department of Education and Training provides placement at educational facilities for all students who choose to attend Government schools.

The Department also pays for the wages of all teaching and non-teaching positions plus costs such as repairs, maintenance and utilities. Government does not provide for many goods and services which students use and it is reasonable for parents to meet these costs.

Where do Contributions and Charges go?

Some examples include:

Ingredients in home economics, transport, photographic equipment and supplies, art materials, timber, metals, and consumable tools, external instructors, sporting equipment, text book, software, licences etc.

How much can be charged?

For Years 7, 8, 9 and 10 the maximum voluntary contributions a school may charge is currently fixed at \$235, however additional compulsory charges above that figure can be requested for consumables and additional resources.

For Years 11 and 12 there are no maximum charges set by the State Government. Schools endeavour to set their own charges for these years and such charges are compulsory. The school can also request a 50% confirmation charge for these years.

Who should pay?

Given that all students benefit from the pool of collected contributions and charges, it is fair to expect that all parents should pay the contributions and charges. Parents who choose the more expensive option subjects need to meet the costs as provided during the subject selection process. All would agree that it is unfair for those parents who meet their financial commitments to be seen to subsidise the education of those students whose parents choose not to pay their contributions and charges. This school is committed to an even-handed and responsible approach that all parents should make contributions towards their children's education.

A compassionate view

This school is only too aware that the payment of school contributions and charges can be a burden for some families. Part payments, deferred payments, credit card debits are all available to support parents experiencing difficulties. In some cases of financial hardship the Principal will consider full or partial waiver of fees, however we do need to talk to parents about this. Ignoring accounts and reminders is unhelpful to all parties. The school is also keen to assist parents in selecting options that they can afford. To this end subject charges will always be provided to parents prior to selection of subjects.

If parents are having difficulty paying fees, please contact our Manager – Corporate Services, Arlene Thomas to discuss possible payment options.

Payment options

The school makes provision for the following payment options:

- Full payment by cheque, cash or credit card
- Payments by instalments by cheque, cash or credit card
- Direct debit
- Qkr! app

Collecting Contributions and Charges

The school will take a positive approach to collecting contributions from parents of Years 7 to 10. In particular, the school will highlight the benefits to students if all parents meet their contributions. With respect to charges for Years 7 to 12 the school will actively seek full payment of charges.

School Board, in support of this process, has endorsed the following actions:

- Regular accounts sent home to parents.
- Parents who refuse to communicate with the school and have made no effort to pay fees will be referred to our debt collection agency as permitted in the regulations.
- Students whose family has a history of non-payment will be refused enrolment in high cost subjects.
- Year 11 and 12 high cost subjects may require a 50% confirmation charge prior to enrolment.
- Sanctions on extra curricula activities may be imposed at the discretion of the Principal. This could include camps, school socials and sporting activities.

OPTIONAL COSTS

Carnivals (Years 7-10 \$10; Years 11-12 \$5.00)

All students participate in 5 carnivals and selected students participate in 2 other carnivals over a school year. There are also several carnivals during the year that are not whole year groups. Besides the 3 school buses that are used, we are required to bus students to the venue and in some instances need to pay an entry fee. Whilst the school covers the majority of costs, we depend on parents to contribute towards this very valuable opportunity for students to support each other at such events.

Diary (\$10)

School diaries at CSHS are used in a traditional sense for students to record homework, assessments and other information to help with their organisation. They are also used for communication between parents and teachers about attendance, late arrivals, leaving early for appointments or other information. The diaries are used to monitor student movement around the school. They include important information about the school, its staff and policies and study help.

School Year Book (\$30)

This much valued magazine is produced each year in colour and contains photos and articles of the activities that have taken place during the year at school. Year group, year activities, overseas tours, sporting achievements, school production and ball photos are included. In Year 12 a Leavers or Graduation Book is produced which follows students from Year 7 to 12 at no extra cost to the students.

VOLUNTARY REQUESTS

Chaplains (\$10)

The Chaplains at CSHS are an integral part of the Student Services team, offering pastoral care and counselling to students and staff. They run programs for targeted students, participate in weekly pastoral care meetings for each year group, attend major school events such as ANZAC Day commemoration, Carols by Candlelight and Year 12 Presentation ceremony, go on the Year 7 & 8 Orientation and Year 10 Peer Mentor Camps and assist with assemblies. The Chaplains also organise and support the 40 Hour Famine which is a major fundraising event across all school years.

Technology (\$100.00)

The State Government provides funding for each student. The salaries for one full time Network Manager and five full time IT Support Officers costing over 500 000 dollars comes out of the funding provided by the State Government. The annual costs for maintaining a safe, reliable and robust learning environment is paid for by the school. Your contribution to this would ensure that we are able to provide the latest technology for our students and parents (more access to your student's progress/records online).

Library (\$30)

Churchlands School is one of very few government high schools that have a well-resourced library, especially in terms of staff, which include three Teacher-Librarians, one Library Officer and one Library technician. Your contribution will ensure that our Library has the latest novels and Non Fiction print books, collection of great DVDs to borrow, large range of Graphic novels, subscriptions to magazines such as Time, Girlfriend, Curl Girls surfing, Fishing Australia, Mad, Surfing Life (and these are only just some of them!), E – book subscription, subscription fees to Library software that can be accessed at home, subscription fees to World Book Online, that again be accessed at home, copies of the print West and Australian to read, chess sets and other great games and access to Click -view (educational DVDs) from school and home. We have made the Library welcoming and comfortable as we believe it is really important that today's learners have access to a wide range of source of information for both educational and leisure pursuits.

Swimming Pool (\$15)

Students at CSHS have access to an in-house swimming pool. All students participate in a Swimming Program for 50-60 hours per year and the Swimming Carnival. We have an arrangement with an excellent coach in Pauline Pratt who has trained our students from the time they entered CSHS and showed potential in swimming. Churchlands boasts of a winning record at inter school swimming carnivals. Parent payments to this request are used to pay to keep the pool clean and safe for students to swim in.

P&C Contribution (\$70)

The role of the P&C includes assisting in the provision of resources, facilities and amenities for our children and the school. The P&C Contributions support student care programs and projects to improve the school facilities. Previously P&C Contributions have paid for Solar Panels, UV Cancer Monitors, locker installations, Youth Care Program, equipment in the Design and Technology, Music and Visual Arts Departments, banners for the Physical Education sporting teams, bean bags for the Library etc. Upcoming initiatives include student welfare support programs and initiatives, supporting the Youth Care Program, improvements to the school grounds and whatever else the teachers request to assist our children.

Churchlands SHS Building Fund

Under the Income Tax Assessment Act, schools are allowed to set up a tax-deductible School Building Fund. The money from this fund can be used for construction, renovation and extension of school buildings. Donations to this fund are voluntary and are used to replace floor coverings, seating, painting etc. To undertake such refurbishments is costly. Your contribution to this fund will help ensure that your students learn in a bright, clean environment.

Music Student Charges

Ensemble Charge – \$40

All music students must pay an ensemble charge of \$40 per year to cover the cost of choral accompaniment and the purchase of scores for the instrumental and choral ensembles. Please note **this charge only** is included in your fee sheet. The remaining charges listed below are in addition to your school contributions and charges.

Instrumental Hire Charge – \$150

Instrumental students hiring an instrument through the school must pay \$150 to cover the costs for maintenance and repair to the instrument.

This is payable **ONLY** by students hiring an instrument through the school.
Please note: Instruments will be given to the student once payment has been received.

Vocal Charge – \$25

\$25 is payable for ALL Voice students to cover photocopying and purchase of repertoire.

Percussion Charge – \$25

Percussion students must pay \$25 to contribute towards repair and upkeep of instruments.

GENERAL INFORMATION

The Western Australian Department of Education provides an allowance to assist eligible families with secondary schooling costs.

Parents/guardians must apply for the Secondary Assistance Scheme (SAS) each school year (annually) – applications do not carry forward to future years.

To be eligible for the allowance the parent/guardian must hold a Services Australia (Centrelink) or Veterans' Affairs card that represents a statement of income for the family.

The allowance consists of two components:

- \$115 Clothing Allowance paid directly to the parent/guardian or the school.
- \$235 Educational Program Allowance paid directly to the school.

Application is made by the parent or guardian for student/s enrolled in Years 7–12 studying a full time secondary course at a Western Australian public school.

ELIGIBILITY CRITERIA

Parent or Guardian must hold one of the following cards:

- Centrelink Health Care Card
- Centrelink Pensioner Concession Card
- Veterans' Affairs Pensioner Concession Card

Please Note: The only Veterans' Affairs Card that meets the criteria is a blue card that is issued annually and expires in December each year. This card is income means tested.

The parent/guardian must be the holder of a card that is valid some time during first term. Students must be listed on claimant's card (except for some year 11 and 12 students, or in cases of disability/health reasons). In this instance, the school must sight both concession cards. The only exception to this is when a student holds their own health care card and has been declared independent by Centrelink (e.g. Living Away from Home). In this instance, a letter of confirmation from Centrelink needs to accompany the application. The concession card must not be expired when applying for SAS.

The allowance is paid up to and including the year the student turns 18 years of age i.e. students born in 2003 or before are ineligible in 2022.

APPLICATION FORMS

Application forms should not be altered and are to be completed at the school during Term 1 only. If the form is completed prior to the commencement of Term 1 the school must complete the enrolment confirmation section to confirm attendance. (Forms dated by the school prior to

Term 1, 2022 will not be accepted). Please ensure you keep a photocopy of the signed form for school records.

LATE APPLICATIONS

Late applications will only be accepted in extenuating circumstances and must be accompanied with a written explanation.

Eligible interstate or overseas students who are enrolled after first term may apply for the allowance. Date of enrolment must be noted on the application.

CONTRIBUTIONS AND CHARGES

Schools will receive the Educational Program Allowance of \$235 for Secondary Assistance recipients. For students in Years 7 to 10 the Allowance will be paid directly to the school and in the first instance, will be applied towards the voluntary contribution. Any balance will be applied against charges or as negotiated with the parent/guardian. For students in Years 11 to 12 the Allowance will be applied to cover charges, in the first instance.

CLOTHING ALLOWANCE

The clothing allowance of \$115 will be paid to the parent/guardian unless indicated on the application form that you wish it to be paid to the school. If payment to the parent/guardian is requested, the payment will be deposited into the parent/guardian bank account. It can take between 8 to 12 weeks to receive this payment.

PROCESSING OF PAYMENTS

Once the form is completed by the parent/guardian, the school will forward either the electronic file (via email) to the Financial Planning and Resourcing Directorate for processing whilst retaining the **original application form at the school** or if completing applications manually, forward the **original application forms** retaining a photocopy for the school records.

If you change any of your details supplied on the application form, please notify us as soon as possible on 9264 4516.

We will endeavour to have all clothing payments made to the parent/guardian by 27 May 2022.
