SCHOOL POLICY **CONTRIBUTIONS AND CHARGES**

The Legal Position

In the public school system the State Government through the Department of Education and Training provides placement at educational facilities for all students who choose to attend Government schools.

The Department also pays for the wages of all teaching and non-teaching positions plus costs such as repairs, maintenance and utilities. Government does not provide for many goods and services which students use and it is reasonable for parents to meet these costs.

Where do Contributions and Charges go?

Some examples include:

Ingredients in home economics, transport, photographic equipment and supplies, art materials, timber, metals, and consumable tools, external instructors, sporting equipment, text book, software, licences etc.

How much can be charged?

For Years 7, 8, 9 and 10 the maximum voluntary contributions a school may charge is currently fixed at \$235, however additional compulsory charges above that figure can be requested for consumables and additional resources.

For Years 11 and 12 there are no maximum charges set by the State Government. Schools endeavour to set their own charges for these years and such charges are compulsory. The school can also request a 50% confirmation charge for these years.

Who should pay?

Given that all students benefit from the pool of collected contributions and charges, it is fair to expect that all parents should pay the contributions and charges. Parents who choose the more expensive option subjects need to meet the costs as provided during the subject selection process. All would agree that it is unfair for those parents who meet their financial commitments to be seen to subsidise the education of those students whose parents choose not to pay their contributions and charges. This school is committed to an even-handed and responsible approach that all parents should make contributions towards their children's education.

A compassionate view

This school is only too aware that the payment of school contributions and charges can be a burden for some families. Part payments, deferred payments, credit card debits are all available to support parents experiencing difficulties. In some cases of financial hardship the Principal will consider full or partial waver of fees, however we do need to talk to parents about this. Ignoring accounts and reminders is unhelpful to all parties. The school is also keen to assist parents in selecting options that they can afford. To this end subject charges will always be provided to parents prior to selection of subjects.

If parents are having difficulty paying fees, please contact our Manager – Corporate Services, Arlene Thomas to discuss possible payment options.

Payment options

The school makes provision for the following payment options:

- Paperly (preferred option)
- Full payment by cash or credit card
- Payments by instalments cash or credit card

Collecting Contributions and Charges

The school will take a positive approach to collecting contributions from parents of Years 7 to 10. In particular, the school will highlight the benefits to students if all parents meet their contributions. With respect to charges for Years 7 to 12 the school will actively seek full payment of charges.

School Board, in support of this process, has endorsed the following actions:

- Regular accounts sent home to parents.
- Parents who refuse to communicate with the school and have made no effort to pay fees will be referred to our debt collection agency as permitted in the regulations.
- Students whose family has a history of non-payment will be refused enrolment in high cost subjects.
- Year 11 and 12 high cost subjects may require a 50% confirmation charge prior to enrolment.
- Sanctions on extra curricula activities may be imposed at the discretion of the
- This could include camps, school socials and sporting activities.

OPTIONAL COSTS

School Yearbook - Payment through Paperly - Online Shop

Years 7 - 11

This much valued publication is produced each year in colour and contains photos and articles of the activities that have taken place during the year at school. Year group, year activities, overseas tours, sporting achievements, school production and ball photos are included.

A **Year 12** edition is produced which contains staff and student awards and profiles of contributing Year 12 students at no extra cost. If you intend purchasing a Yearbook for your Year 12 Student, please order it against your Yr 12 student or they may miss out on this edition

VOLUNTARY REOUESTS

Carnivals (Years 7-10 \$10; Years 11-12 \$5.00)

All students participate in 5 carnivals and selected students participate in 2 other carnivals over a school year. There are also several carnivals during the year that are not whole year groups. Besides the 3 school buses that are used, we are required to bus students to the venue and in some instances need to pay an entry fee. Whilst the school covers the majority of costs, we depend on parents to contribute towards this very valuable opportunity for students to support each other at such events.

Chaplains (\$10)

The Chaplains support the social, emotional, and non-denominational spiritual wellbeing of the school community whilst embodying the CSHS values of personal, social and environmental responsibility. Their primary focus is to ensure everyone is provided an opportunity to maximise their potential.

Our Chaplains offer confidential, non-judgmental and evidence based pastoral care programs with the intention of empowering every member of our community to be the best person they can be and to contribute to the wellbeing of self and others. They are trained in pastoral care, with ongoing professional learning opportunities provided to specialize in critical incidences, community members living in isolation and mental health initiatives.

Swimming Pool (\$15)

Students at CSHS have access to an in-house swimming pool. All students participate in a Swimming Program for 50-60 hours per year and the Swimming Carnival. We have an arrangement with Royal Lifesaving WA who provide excellent coaching services for our students. Churchlands boasts of a winning record at inter school swimming carnivals. Parent payments to this request are used to pay to keep the pool clean and safe for students to swim in.

Library (\$30)

Churchlands Library is a vibrant and engaging space for all students to enjoy. Reading helps our students develop empathy and resilience skills as well as assisting with overall wellness. Our library has a great range of novels, fact books, magazines, Ebooks and audio books as well as graphic novels for our students. Online resources such as digital encyclopedias,

website subscriptions, digital media and newspapers assist students with researching. Providing colouring, makerspace activities, jigsaws, and chess for your child to enjoy during breaktimes is also a priority. Your contribution makes this possible.

P&C Contribution (\$70)

The role of the Parents and Citizens' Association (P&C) is vital in supporting the school community by providing necessary resources, facilities, and amenities that enhance the educational environment for students. P&C contributions directly fund a range of initiatives aimed at improving student well-being, academic opportunities, and school infrastructure. These

Parents & Citizens Association Incorporated

contributions have provided items such as solar panels, air conditioning units, students lockers, sensory equipment, football nets, musical instruments, House awards and computer equipment. Funds from the P&C have also covered the cost of incursions, workshops and camps, and supported the YouthCARE Chaplaincy Program. The P&C remains responsive to the needs of teachers and students, ready to fund projects that enrich the school experience and foster a positive learning environment. Future initiatives will continue to support student welfare through various programs in all departments, as well as investing in improvements to the school grounds.

Technology (\$100.00)

The State Government provides funding for each student. The salaries for one full time Network Manager and five full time IT Support Officers costing over 500 000 dollars comes out of the funding provided by the State Government. The annual costs for maintaining a safe, reliable and robust learning environment is paid for by the school. Your contribution to this would ensure that we are able to provide the latest technology for our students and parents (more access to your student's progress/records online).

Churchlands SHS Building Fund

Under the Income Tax Assessment Act, schools are allowed to set up a tax-deductible School Building Fund. The money from this fund can be used for construction, renovation and extension of school buildings. Donations to this fund are voluntary and are used to replace floor coverings, seating, painting etc. To undertake such refurbishments is costly. Your contribution to this fund will help ensure that your students learn in a bright, clean environment.

Music Student Charges

Ensemble Charge - \$40

All music students must pay an ensemble charge of \$40 per year to cover the cost of choral accompaniment and the purchase of scores for the instrumental and choral ensembles. Please note this charge only is included in your fee sheet. The remaining charges listed below are in addition to your school contributions and charges.

Instrumental Hire Charge - \$150

Instrumental students hiring an instrument through the school must pay \$150 to cover the costs for maintenance and repair to the instrument.

This is payable **ONLY** by students hiring an instrument through the school. Please note: Instruments will be given to the student once payment has been received.

Vocal Charge - \$25

\$25 is payable for ALL Voice students to cover photocopying and purchase of repertoire.

Percussion Charge - \$25

Percussion students must pay \$25 to contribute towards repair and upkeep of instruments.

2025 Excursion Cost Estimates

(based on 2024 figures)

In facilitating the collection of funds for excursions, camps, and tours, the school adheres to precise timelines, providing parents with ample opportunities to make payments. To ensure your child's participation, it is crucial to submit payments before the specified deadlines. All parents/guardians are urged to strictly adhere to these timelines, as starting in 2024, no extensions will be made.

SECONDARY ASSISTANCE SCHEME HOME EDUCATION

Applications close 11 April 2025

GENERAL INFORMATION

The Western Australian Government through the Department of Education provides an allowance to assist eligible families with secondary schooling costs.

Parents/guardians must apply for the Secondary Assistance Scheme (SAS) each school year (annually) – applications do not carry forward to future years.

To be eligible for the allowance the parent/guardian must hold a Services Australia (Centrelink) or Veterans' Affairs card that represents a statement of income for the family.

The allowance consists of two components:

- \$300 Clothing Allowance paid directly to the parent/guardian.
- \$235 Education Program Allowance paid directly to the parent/guardian.

Application is made by the parent or guardian for student/s registered for study in Years 7–12 and of Year 7–12 school age. The allowance is paid up to and including the year the student turns 18 years of age.

ELIGIBILITY CRITERIA

Parent or Guardian must hold one of the following cards:

- Centrelink Health Care Card
- Centrelink Pensioner Concession Card
- Veterans' Affairs Pensioner Concession Card

Please Note: The only Veterans' Affairs Card that meets the criteria is a blue card that is issued annually and expires in December each year. This card is income means tested.

The parent/guardian must be the holder of a card that is valid during first term. Claims cannot be made using a student's Centrelink card as this is not a statement of income for the family. The concession card must not be expired when applying for SAS.

The allowance is paid up to and including the year the student turns 18 years of age i.e. students born in 2006 or before are ineligible in 2025.

APPLICATION FORMS

Application forms are available from all Department of Education Regional Education offices.

Forms should not be altered and are to be completed during Term 1 only. Any forms submitted to Financial Planning and Resourcing Directorate prior to Term 1, 2025 will not be accepted.

Please ensure to keep a copy of the signed form for your records.

Personal information collected will only be used for the purpose of managing the SAS. The Department will not disclose your personal information for any other reason.

LATE APPLICATIONS

Late applications will only be accepted in extenuating circumstances and must be accompanied with a written explanation.

Eligible interstate or overseas students who are enrolled after first term may apply for the allowance. Date of enrolment must be noted on the application.

SUBMISSION OF APPLICATION

Submit your:

- 1. Completed application
- Letter/certificate from your education regional office stating the student(s) are registered for Home Education for 2025 and
- 3. Copy of your concession card front and back

The application is not complete and will not be accepted if any of the three (3) required documents are missing.

Email to: student.allowances@education.wa.edu.au

or

Post to: Financial Planning and Resourcing Directorate

Department of Education 151 Royal Street EAST PERTH WA 6004

The witness declaration will be completed by the Department once all items are received.

Receipts for purchases of books, stationery and educational software must be retained and presented if requested.

PROCESSING OF PAYMENTS

If you change any of your details supplied on the application form, please notify us as soon as possible on 9264 4516.

We will endeavour to have all payments made to the parent/guardian by 30 May 2025.

FURTHER INFORMATION

Queries can be directed to the Allowances Coordinator
