News in Brief

Mock Trials - Churchlands Chambers

The Churchlands Chambers (Year 11s and 12s) and the Bench Warmers (Year 10s) have won their first round in the Mock Trial Competition for 2024. Both teams went against Applecross SHS teams on Wednesday, 13 March, at the Supreme Court of Western Australia. The case was a criminal charge of assault involving an elderly gentleman as the complainant and a younger man as the accused who were involved in a late-night altercation in a Perth park. Mrs Cornelius and Mrs Steer were impressed by the level of collegiality and teamwork shown in the lead up as well as the preparation and time that all students put into preparing for their first trial. There were some stellar advocacy performances by our students in particular barristers and witnesses on both teams. The teams will now be working to prepare their next case which will take place in Term 2.

Lost Property

As the end of Term 1 nears, the accumulation of lost property is piling up. If your child has lost or misplaced any articles, please have them come to the table in the corridor outside Student Services Middle Secondary. Thank You.

NAPLAN 2024

From 13-18 March our Year 7 and Year 9 students took over the M Block and sat the online NAPLAN assessments. NAPLAN measures a student's literacy and numeracy and can be used to compare their development over time individually and against national standards. NAPLAN is comprised of 4 tests: Writing, Reading, Conventions of Language (spelling, grammar and punctuation) and Numeracy. Our students demonstrated personal responsibility through organisation and perseverance to maximise the skills they had developed through classroom preparation provided by our excellent teachers.

Formative Assessment: Strategy 4

- Activating Students as Learning Resources for One Another -

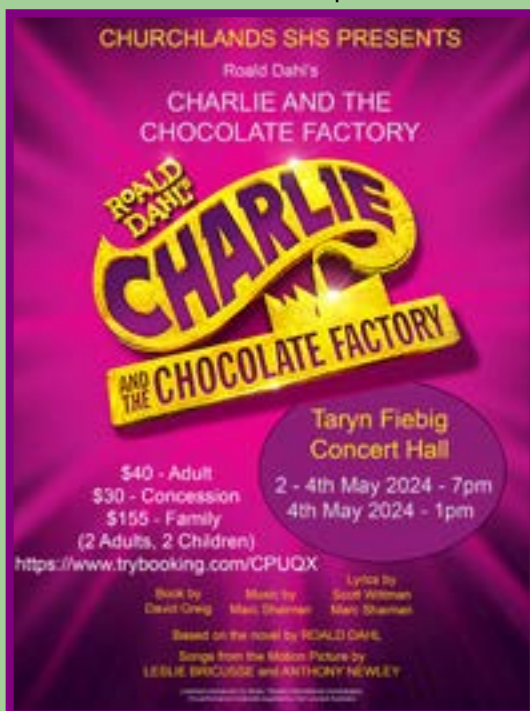

Example 1 - Art Feedback Sandwich

In the classroom, the art feedback sandwich strategy is a structure students follow to provide other students with constructive feedback on their artistic pursuits. Mimicking the layers of a traditional sandwich, this method starts with praising the student's artwork, then presents helpful critiques and suggestions for enhancement, and concludes with another positive note or recognition of the student's dedication and progress. By employing this technique, educators tap into the power of peer learning, encouraging students to become valuable resources for one another.

Charlie and the Chocolate Factory

News in Brief *cont'd*

Twilight Jazz

Twilight Jazz once again saw the Churchlands Jazz community treated to an enjoyable night of Jazz performed by students from Year 8 – 12. Our three big bands, Ellingtons, BlueNotes and Birdland, year group combos and our alumni music students studying Jazz at WAAPA, entertained the crowd whilst they enjoyed their picnics and perfect weather. The audience was definitely bigger than last year, which is encouraging, and it was great to see so many students, and staff, supporting the night and the fundraising efforts of the MPC. We look forward to seeing you there next year!

Act Belong Commit Fun Run

On Wednesday, 20 March, the Physical Education team held the annual Act Belong Commit Fun Run for Junior Secondary students, the Interschool Team from previous years and the Wednesday Run Club. The students run or walk 5km after participating in a fun warm up led by Senior Secondary students. Students fundraise leading up to the event with the funds being split between Telethon Kids Institute and the CSHS Physical Education Department. This year one of our Year 11 students broke an 8-year record after running the course. Well done Jackson Muir!

Book Club and WAYRBA Competition

We have ended the term with our book-club session and some of the students have decided to be shadow judges for the Children's Book Council. This is very exciting and involves us all reading the shortlisted books and then preparing a response to send to the council on each book. We are going to be visual in our approach and do a group One pager! If you want to know more about the shadow judging check out the Children's Book Council website.

<https://shadowjudging.cbca.org.au/>

We are also getting ready for our Western Australian Young Readers Book Awards. Check out the Learning Path we have created for it.

2023 HASS AEP Reunion

This group misses HASS so much and had such a super time on the Canberra/Sydney tour last year, they kept pestering me for a reunion! It finally happened this week. Was great to see the students and catch up on life in Senior Secondary. We remembered the fun times we experienced together on tour and in the classroom. An absolutely awesome group of students.

Year 11 ATAR Geography Fieldwork Excursion

Last week 21 Geography students enjoyed a fieldwork excursion to the Perth Hills Discovery Centre in Mundaring. This fit in well with their studies on bushfires. Students worked in groups to map the rate, speed and direction of bushfires, in comparing different severity levels of fires. They learnt how to use fieldwork tools to measure fuel load, canopy cover and steepness of slopes and acquired knowledge on life saving preparation and mitigation strategies needed if living in bushfire prone areas.

Year 7 Student Leaders

HASS Staff Free Dress Day

The HASS staff got into the swing of things on the 'sports team' free dress day last week. To say the least, the department experiences a little bit of rivalry between the teams and the codes of football!

Youth Reference Group

Are you a young person age 16-25?
 Are you passionate about youth mental health?
 Do you want to have a say in youth mental healthcare?

The Youth Reference Group might be the place for you!

What is the YRG?

The Youth Reference Group, or YRG, is a small group of young people with lived experience of mental health struggles. The YRG usually has about 10 - 14 members, and each headspace has a YRG.

What does the YRG do?

Every YRG member must regularly attend monthly meetings. Beyond that, the YRG does whatever they decide they want to do! This can include...

- Representing headspace at events
- Attending meetings between local mental health/youth organisations
- Proposing, designing, and running clubs, events, and much more
- Giving feedback on material and events relevant to youth
- And so, so much more!
