News in Brief

Rotary Competition

Congratulations to our Year 10 students, Charlize K. and Samsel S., who represented our school in the Rotary 4-Way Test Speaking Competition held on Thursday morning at the Scarborough Surf Life Saving Club.

Competing against two students from Carine Senior High School, they each delivered an original six-minute speech on a topic of their choice while thoughtfully incorporating the four Rotary values: Is it the Truth? Is it Fair to all concerned? Will it build Goodwill and Better Friendships? Will it be Beneficial to all concerned? Both students spoke with confidence, demonstrated excellent preparation, and impressed the judges with their maturity and poise. The standard of the competition was exceptionally high, and Charlize and Samsel should be incredibly proud of their outstanding efforts. We congratulate them on their achievement and thank them for the many hours of preparation and dedication they invested in the competition.

Athletics Carnival

YEAR 9s, 10s, 11s and 12s are reminded to **SIGN UP for YOUR ATHLETICS CARNIVAL** (via the link in your emails).

Nominations close Friday Week 3

Bring **MONEY** for **FOOD TRUCKS!**

If you'd prefer to be a **HELPER** please collect a **PERMISSION FORM** from your PE teacher.

For carnival **PRACTICE** (specialist coaching) **TUESDAY Week 3 and 4 afterschool.**

SIGN UP in the PE FOYER.

CHURCHLANDS
SENIOR HIGH SCHOOL

Australian Geography Competition

Churchlands would like to congratulate Year 9 AEP HASS student Aiden T. on achieving in the top 1% of the nation in the recent Australian Geography Competition. This is an outstanding result! Over 47,000 students from 600 schools across Australia entered the competition which aims to encourage student interest in Geography and reward student excellence.

Several other students achieved excellent results gaining High Distinctions. These include:

Year 9: Ayman K., Ella M., Xavier M., Drew R. & Tara W.

Year 10: Taylor G., Lucy S., and Audrey C.

Year 11: Marko B., Darcy C., Martin S., and Jerry T.

Churchlands Chargers - Friday Night Lights

Last term on 26 June, the Churchlands Chargers Senior Basketball Squad took out a clean sweep at Friday Night Lights.

It's a huge event with games, 3 point shoot out, food trucks, DJ, prizes and a huge noisy grandstand.

Shenton hosts a three school tournament that goes late into a Friday night. Both the boys and girls teams secured wins against Shenton and Bob Hawke.

Churchlands Chargers not only won the huge trophy (see photo below) but we also won the girls 3 point shoot out (Evelyn H), Girls MVP (Evelyn H) and Boys MVP (Cassius H).

Thanks to Tom Werner and Amber Lawrence for all the work outside of hours, training and being there for the kids on Friday Night.

Support Our School

Your voluntary contribution makes a real difference!

Thanks to the generosity of our amazing Churchlands parents, we've been able to:

- Improve our school grounds
- Install air-conditioning
- Upgrade infrastructure and learning tools
- Provide toasties and support chaplaincy — and so much more!
- Fund events and student awards
- Connect the school with amazing experts and artists.

Every contribution, big or small, helps our P&C continue making our school a better place for every student.

Please support your P&C by paying your annual voluntary contribution.

Thank you for helping our school thrive!

Are you a parent or caregiver of a young Autistic person?

Help improve educational support for
Autistic students

What is this study about?

We are examining the usefulness, accessibility, and evidence base of educational resources for Autistic students.

- We want to understand how resources are used in real-world settings
- Accessibility and alignment with inclusive education principles

Who can take part?

- A parent, caregiver, or support individual of a young Autistic person, including adults over 18 and those with lived experience supporting them.

What will I be asked to do?

- Complete an online consent form
- Attend a 90-minute online focus group
- Join up to 7 other parents/caregivers
- Share your experiences and perspectives
- Discuss what works well and what could be improved

Time Commitment

- 15-20 minutes online form
- One session (approx. 90-minutes)

Library News

Why School Libraries Matter

The Library staff are delighted to welcome all students back for another exciting term of reading, learning, and discovery. Whether you're looking for your next great read, a quiet place to study, or somewhere to connect with friends, the Library is here for you.

Alongside our extensive collection of books and study spaces, we're excited to continue offering our popular Makerspace activities. Students will have opportunities to create, build, design, and experiment while developing problem-solving and creative thinking skills in a fun and supportive environment. So check out the trolley during breaktimes to see what we have.

We encourage everyone to drop in, borrow a book, join an activity, and make the most of everything the Library has to offer this term. We look forward to seeing both familiar and new faces and sharing another great term together.

Keep an eye out for fun book week activities coming up later this term!

Our Year 7 reading classes have been finishing off their class reading logs and soon we will see which class will win the Great Tam-tam and Mint Slice reward.

Learning Support News

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child, and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the Australian Government's Privacy Policy (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the NCCD Portal (<https://www.nccd.edu.au>).

Please also see Fact Sheet for parents, guardians and carers https://www.nccd.edu.au/sites/default/files/nccd_parent_fact_sheet_english_0.pdf

If you have any questions about the NCCD, please contact The Learning Support Program Coordinator, Claire Shoebridge, cshoebridge@churchlands.wa.edu.au by the end of Week 1, Term 3.

Lost Property

We're in Week 3 of Term 3 and there are a few unclaimed items on the Lost Property table. If your child has lost or misplaced any articles, please have them come to the table in the corridor outside Student Services Middle Secondary.

Any lost uniforms that are named will be returned to students. Lost property of any value (phones, airpods, jewellery, glasses etc) can be found in the Main Administration and Student Services.

All unclaimed items will be disposed of at the end of the term.

Thank You.

Congratulations

Congratulations to Daniel K., (Year 7). Daniel's artwork, titled "Rocket Takeoff", has been selected for exhibition in this year's Shaun Tan Award for Young Artists, hosted by the City of Subiaco. His piece is one of only 10 works chosen to be exhibited in the Lower Secondary category. Well done Daniel!

Congratulations to Jake E., (Year 7) for an outstanding result at the recent 2026 Fremantle Eisteddfod. Jake is in the Churchlands Senior High School GATE music program and plays trombone. He recently competed in the 2026 Fremantle Eisteddfod and was invited to perform at the Junior winners' concert at Fremantle Town Hall. Jake won the AMEB trophy for brass grade 3, the Fremantle Eisteddfod trophy for brass aged 13 and under, and the overall best brass performer. Well done Jake!

Get into Mining Camp

Multi-day field trip for high school students

The WA Mining Club has developed a camp for high school students in Years 10 to 12 to get a first-hand look at what the mining industry has to offer. Students will have the opportunity to rub shoulders with industry veterans whilst visiting some state-of-the-art facilities.

Day 1

Introduction and Travel

Students will gather at a meeting point and will be taken on site tours before travelling to their overnight accommodation

Day 2

Site Visits

The students will visit sites in the South-West region, followed by discussions and a review of the day's activities

Day 3

Site Visits

The students will visit more sites within the South-West region

Day 4

Final Site Visits and Travel

Students will visit an open-cut mine before travelling back to Perth.

Camp 3

Oct 5th – 8th 2026

Please note that preference is given to students in Year 10 for this camp

Camp 1 (2027)

April 13th – 16th 2027

Please note that preference is given to students in Year 12 for this camp

The cost for the camp is \$200, with \$100 of this being refundable after the camp's completion.

For further details, please contact Barry Upton at education@waminingclub.asn.au or 0400 070 689
