What's happened

• We farewelled the Year 12s on their last day on 18 October. They had a grand send off with a hearty breakfast prepared by staff, received their Grad Book, attended their final assembly that included lots of information, entertainment and funny awards to students. They exited the school grounds with great sense of pride and fulfilment. It was a memorable event for everyone.

Later in the evening, the Year 12s attended their final social event - the Dinner Dance at the Pan Pacific Hotel. It was a night to be remembered and cherished.

We wish the Year 12s all the best as they embark on their new journey and good luck to the Year 12 ATAR students in their upcoming exams.

A special mention to all the Year 12 teachers and staff who have journeyed with these students throughout their time at CSHS.

• The Year 12 Visual Arts Graduation Exhibition was held on Friday 12 October. The standards and quality of work by the Year 12 Arts, Media and Photography students were really impressive. A big thank you goes to the Visual Arts teachers for their hardwork in putting together the exhibition and for their tireless effort in preparing their students.

• 20 October saw the best and brightest on stage with the Music Presentation Night. Stunning performers, thrilled award recipients, proud parents and a tasty supper. Congratulations to the Music Class of 2018 for five years of fabulous music making. What lies ahead? Fame and fortune, or will they be musicians?

A big thank you to all Music teachers who have contributed to the students' success.

• Well done to all the CSHS athletes who did us proud by winning the 'A' Grade Interschool Athletics Carnival.

Congratulations
