Issue: 11 (2026)

News in Brief

Akashi Nishi - 40 Year Partnership

From 1-10 August, Churchlands Senior High School welcomed 25 students and two staff members from our sister school, Akashi Nishi Senior High School in Japan, as part of our 40-year sister-school partnership.

The students were warmly hosted by Churchlands students and had the opportunity to experience Australian school life through classroom visits, various lessons, a school tour, a welcome ceremony and cultural activities.

Their program also included excursions to Caversham Wildlife Park, Perth City, Fremantle and Woodman Point, as well as a visit to Woodlands Primary School, an Australian geography lesson, volleyball, Australian art, blackout poetry, and opportunities to explore youth culture and social issues with our students. A special highlight was the visit of Akashi Nishi's Vice Principal, who joined the group for one night, adding to this year's particularly significant anniversary celebration.

Lost Property

We're in Week 5 of Term 3, almost half way through the term, and there are a few unclaimed items on the Lost Property table. If your child has lost or misplaced any articles, please have them come to the table in the corridor outside Student Services Middle Secondary.

Any lost uniforms that are named will be returned to students. Lost property of any value (phones, airpods, jewellery, glasses etc) can be found in the Main Administration and Student Services. All unclaimed items will be disposed of at the end of the term.

Thank You.

Congratulations

Congratulations to Emma H., (Year 7), for her selection to represent Australia in the Legacy All Girls Under 13s team at the Baseball for All Girls Tournament. Emma travelled to Rockford, Illinois, in July. Best of luck Emma!

Congratulations to Zach M., (Year 8), for his selection to represent Western Australia in the 2026 Cross Country Championships. Zach will travel to Sydney to compete in September. Good luck Zach!

Congratulations to Archer B., (Year 7), who has also been selected to represent Western Australia in the 2026 Cross Country Championships. Along with Zach (above), Archie will also travel to Sydney to compete in September. Good luck Archie!!

Congratulations to Rachel M., (Year 11), for her selection to represent her club at the upcoming National Clubs Gymnastic Carnival. Rachel will travel to the Gold Coast in September for the competition. All the best Rachel.

Emma H. travelled to Rockford, Illinois, to compete for Team Legacy Australia in the Baseball for All Girls Tournament, where she was one of the main pitchers for the U12 team.

She even received player of the game for her pitching. Even though they did not win, Emma said the experience was epic, being mentored by some of the Australia's best women baseballers. She also was able to attend three of the Women's Baseball World Cup Qualifier game where she was able to meet many of her Emerald hero's including WA's own Leah Cornish.

Book Week

Book Week runs from 22–28 August, and this year's theme is "Symphony of Stories." We look forward to celebrating the joy of reading and sharing some wonderful stories with our students throughout Book Week. Keep an eye out for fun activities, competitions and of course our wonderful displays.

2026 CHILDREN'S BOOK WEEK

**SYMPHONY OF
STORIES**

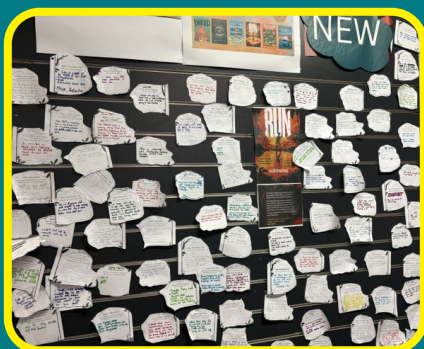

22–28 August 2026

Year 7 Reading Sessions

Our Year 7 students have begun our Book Week activities and, over the past fortnight, have listened to Chapter 1 of *Run* by Sarah Armstrong.

Working with a partner, students then responded to a thought-provoking question about the chapter, recording their ideas on a thought cloud. These will be added to our Book Week display board as we continue exploring the novel together.

Library Reading Log Winners

A big congratulations to the classes who participated in our recent Reading Log Activity! We were delighted with the enthusiasm and effort shown by our students as they recorded their reading.

Our winning reading logs are now proudly on display in the Reading Space, where everyone can admire the wonderful work that went into them.

We selected three winning classes, who were rewarded with a delicious platter of biscuits to enjoy together. Well done to our winning classes, and thank you to everyone who took part and helped make the activity such a success!

JOIN OUR TEAM OF VOLUNTEERS

**Be the reason someone
believes in themselves.**

Ripple matches high school and university volunteers one-on-one with students with disabilities and learning conditions, for free personalised tutoring. You're paired based on your subjects, your availability, and their needs - flexible, rewarding, and fully supported.

WHY STUDENTS VOLUNTEER WITH RIPPLE

- 01 No experience needed**
Open to high school and university students. All it takes is patience, reliability, and a genuine desire to help.
- 02 Earn volunteering hours**
Log recognised hours toward school or university community-service requirements and certificates.
- 03 Flexible, one-on-one**
Online or in person - you choose a format and schedule that fits around school, uni, and life.
- 04 Teach what you're good at**
You're matched with a student based on the subjects you know best - so you're always on solid ground.
- 05 Make a real difference**
Beyond the curriculum, you help build confidence, independence, and belief in a student's own potential.

KNOW A FAMILY WHO NEEDS SUPPORT?
Ripple offers **free one-on-one tutoring** for students with disabilities and learning conditions - primary school through Year 12, online or in person. Point them to ripple-edu.au.

Who can participate?

- Parents/caregivers (fathers, mothers, grandparents, foster and kinship carers) of children and young people aged 3 to 16 years and 11 months who live in Western Australia (WA)

What is the study about?

- This study is called Improving Mental Health Pathways and Access to Child and Youth Treatments (IMPACT). Families will be offered a lower intensity intervention that consists of:
 - A self-directed, evidenced based online parenting program to help parents manage their child or teenagers challenging behaviours
 - Fortnightly check in sessions with a clinician, delivered via Telehealth
- All families taking part in the study will complete measures about their child and family before and after the program, and again after three months, and additional measures before and during every check in session
- This study examines whether this model of care can effectively reduce wait times and improve service access and engagement for families across WA

What does the parenting program involve?

- The initial lower intensity program includes 6 core online modules and five, 30-minute, fortnightly sessions with a clinician completed over 8 weeks

Students Using eRideables

eRideables can include:

- **eBikes**
- **eScooters, and**
- **eSkateboards**

These have become a very popular means of transport and there are now WA Traffic Laws associated with them. These include:

- Only students who are 16 and over are legally allowed to ride eRideables.
- When riding, a helmet must be worn. Due to their increased use at Churchlands, we will implement the following requirements to ensure safety and legal compliance.

Acceptable use at Churchlands will now require the following:

- Only Year 11 and 12 students (over the age of 16) will be allowed to bring these onto the school premises.
- For safety purposes students must walk these off the school grounds in the afternoon.
- Students must store eRideables in our locked bike compounds not outside.
