### Year 12 Updates

#### Clearance Day

27 November in the library 9-11am. All Year 12s are requested to come.

Students who have not handed in their completed Clearance Form are reminded to do so between now and the Clearance Day.

2018 Year Book (for those who paid for it) and Statement of Results will be distributed on the Clearance Day.

#### Second-hand Uniform and Textbook Trading

In the past CSHS P & C organised a day for second-hand uniform and textbook trading.

This year, a new initiative is provided to parents with the ability to trade items online via the Sustainable School Shop website - [www.sustainableschoolshop.com.au](http://www.sustainableschoolshop.com.au)

This service is very accessible and preference is given to our school first and then provides access to families from other schools.

The system is simple and easy to use.

- Register on the website [www.sustainableschoolshop.com.au](http://www.sustainableschoolshop.com.au)
- List your items for sale
- List wanted ads for those items you are looking to buy.
- The system matches the ads of buyers with sellers and notifies buyer via email
- Buyers/Sellers get in contact and arrange trading time and place.

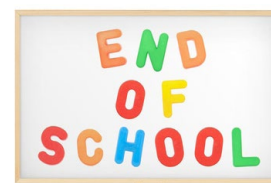

If you do not have a computer, internet access or an email address, please call Sustainable School Shop on 0438 743 444 or email help lines <https://www.sustainableschoolshop.com.au/contact-us>

Families are offered three levels of access:

- **FREE Search only** - register/login, searching for sale items and gaining sellers' contact details.
- **Single item** - Cost \$1.50 to be advertised.
- **Annual Subscription** - Cost \$21.95 per annum. These are taken by families who have many items to advertise.

We hope you will make the most of this opportunity and gain benefit from recycling your children's school items, while at the same time helping another family within our school community.

### Community Services Christmas Appeal

It's the exciting time of the year for all of us leading up to Christmas; thinking about meals and gifts for our loved ones.

Unfortunately for some families, that may not be the case as they may not be as fortunate to buy gifts and have fancy meals for their children. Many have trouble even putting food on their tables for the next meal.

The **Salvation Army Christmas Appeal** helps families in this type of situation. As in the past, we at CSHS will be supporting the good cause again this year.

We would like to appeal for donations of non-perishable food and/or toys. Why not pick up an item (biscuits, chocolates, Xmas pudding) as you do your shopping this week.

Donated items can be handed in during Form time or dropped off in the Christmas appeal box in the Library.

This will be the last issue of the Bytes for 2018. We will have more updates in the Term 4 Newsletter.
