News in Brief

Year 12 Japanese ATAR Celebration

On 1 October, the Year 12 Japanese ATAR students headed to Mon Japanese Bistro in Leederville to celebrate two years of hard work and achievement. Over the course of their studies, the class shared plenty of memorable moments — from Friday afternoon classroom karaoke sessions and weekly speaking practice to the unforgettable Japan Tour for the lucky few. The dinner was a perfect way to relax and reflect before their Practical WACE Exam, held on the first weekend of Term 4. We wish them all the best as they complete their final exams!

Year 12 French Dinner

On Tuesday, 21 October, our Year 12 French students celebrated their achievements with a special French dinner at the elegant Chez Pierre Restaurant. Using their French language skills, students ordered their meals en français and were rewarded with a delicious three-course feast — a true taste of France right here in Perth!

The evening was not only a culinary delight but also a well-deserved reward after completing their WACE French Practical Exams in the first week of Term 4. Laughter, conversation, and camaraderie filled the air as everyone gathered around the table to share in this memorable experience.

Bravo to all our Year 12 French students for their dedication and enthusiasm throughout the year — and bonne chance for the upcoming WACE Written Exams!

Help Our Year 12 Students Get Hands-On Automotive Experience!

Our Year 12 Certificate II Automotive students use real cars to develop their practical skills. To give them the best learning experience possible, we're looking for a small car donation that can be used for training and assessment activities in our school workshop.

Ideally, the vehicle would be:

- Incomplete, unregistered, or not currently roadworthy (it doesn't need to run!)
- A small car or hatchback, suitable for student access and workshop use
- Preferably petrol not diesel
- Safe to work on, with no major structural or hazardous damage

This vehicle will be an invaluable teaching resource—helping students learn essential diagnostic, maintenance, and repair techniques in a real-world, hands-on setting.

If you, or someone you know, have an old vehicle that's no longer needed, please consider donating it to support our young learners. We can assist with collection.

For more information or to arrange a donation, please contact Harleigh Uren at huren@churchlands.wa.edu.au

Your support helps inspire and prepare the next generation of automotive professionals—thank you for helping us keep education moving forward!

Year 7 HASS - Civics Courtroom Role Play

Our Year 7 Civics students recently stepped into the shoes of lawyers, witnesses, and jurors as they re-enacted the fascinating case of *The State of Western Australia vs. Goldilocks*. This engaging role-play gave students a hands-on opportunity to explore how the justice system works, understand the roles within a courtroom, and consider key legal concepts such as evidence, fairness, and the presumption of innocence.

The activity was a fun and memorable way for students to deepen their understanding of the law and the importance of due process — and to discover that even fairy tales can raise real legal questions!

What Counts As Community Service in our Community Service Programs?

Community service includes voluntary activities that benefit others or contribute to the community. Examples include:

- Social and personal development activities such as performing in a community choir (e.g. Carols by Candlelight), entertaining residents at an aged-care facility, or coaching younger players at a sporting club.
- Service components of community programs like those offered by youth, sporting, cultural, or religious groups — for example, Scouts, Girls Brigade, Rangers, WA Cadets, or the Duke of Edinburgh's Award.
- Fundraising initiatives that involve planning, organisation, and collection of donations or sponsorships — such as coordinating a quiz night for charity or participating in events like the 40 Hour Famine (note: time spent fasting does not count, but time spent fundraising does).
- School-based service projects integrated into the curriculum — such as caring for or restoring historical sites, or undertaking environmental restoration as part of a science program.
- Activities with a small honorarium that recognise a contribution or cover expenses, such as receiving free event entry while volunteering as a carer.
- School community contributions like art projects, tree planting, recycling, gardening, general maintenance, or assisting at school sporting, cultural, or fundraising events.
- Leadership or skill-based service undertaken after training — for example, peer mentoring or providing first aid in the school playground.
- Community benefit activities such as assisting lost children at public events (e.g. the Royal Show) or staffing a water station during a charity fun run.
- Volunteering for non-profit organisations in fields such as aged care, animal welfare, childcare, culture, education, health, disability services, refugee support, or environmental sustainability.
- Civic and leadership participation such as involvement in youth advisory councils, youth parliament, or ANZAC Day commemorations.
- Home-based caring responsibilities performed by young carers providing significant support for aged, ill, disabled, or young family members.

Support Our School

Your voluntary contribution makes a real difference! Thanks to the generosity of our amazing Churchlands parents, we've been able to:

- Improve our school grounds
- Install air-conditioning
- Upgrade infrastructure and learning tools
- Provide toasties and support chaplaincy — and so much more!

Every contribution, big or small, helps our P&C continue making our school a better place for every student. Please support your P&C by paying your annual voluntary contribution.

Thank you for helping our school thrive!

Year 7 Halloween Disco

On Thursday, 30 October, over 100 Year 7 students gathered in the Churchlands SHS Sports Hall for a spooky night of fun at the annual Halloween Disco. The venue was transformed into a haunted hall by our creative Year 7 student leaders (and a few helpful ghosts!). With music and lighting by our frightfully talented Year 11 DJ, Cooper G. Students enjoyed a limbo competition, dance-off, and a best costume contest. A huge thank you to everyone who helped make the night such a ghoulish success!

From the Year 7 Student Services Team
Gomez (Mr Siwek), Uncle Fester (Mr Robinson), Morticia (Ms Tsonis) and Wednesday (Ms Ellis).

Library News

Homework Club

The last session of the year for our Homework Club is Monday of Week 7. Thank you to all of the staff that helped students in the club. We look forward to continuing next year.

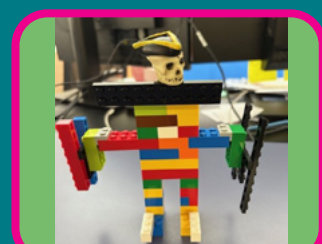

MakerSpace

Monday Makerspace is very popular. Students have been enjoying the giant Jenga, even turning them into building blocks! Along with the Jenga, our giant Connect 4 has been just as popular.

Halloween

Our Lego session had a touch of Halloween that went wonderfully with our displays.

Sign Making Project

The Year 7s are going to be starting our sign making project in their next few library sessions. They will be planning and designing our genre posters for our new signs.

Upcoming Social Media Age Restrictions for Under-16s

Churchlands Senior High School would like to inform students and families about an important change announced by the Australian Government. From **10 December 2025**, major social media platforms will be required to restrict account access for users under the age of 16.

This initiative is designed to safeguard young Australians from a range of online risks — including exposure to harmful content, excessive screen time, digital manipulation, and other inappropriate online behaviours. Importantly, this is not a ban but rather a **delay in account eligibility** until a child turns 16.

What You Need to Know

- **Platforms affected** include **Facebook, Instagram, Snapchat, TikTok, X (formerly Twitter), and YouTube.**
- Children **under the age of 16 will no longer be able to create or maintain accounts** on these services.
- **Public content** may still be accessible without logging in.
- **Messaging apps and online gaming services** are not covered by these restrictions and may still be used if permitted by the app's terms and parental guidance.

Support and Resources

Families and students are encouraged to stay informed and take advantage of the helpful resources available:

- [eSafety Commissioner – Get-Ready Guide for Under-16s](#) , [Social media age restrictions hub](#)
- [Churchlands Senior High School- Student Welbeing](#)
- [WA Department of Education – Cyber Safety Hub](#)

Churchlands SHS is committed to supporting a safe, inclusive, and digitally responsible learning environment. If you have any questions or would like further information, please contact our ICT Team via the school website:

SOCIAL MEDIA BAN PARENT SESSION

On 10 December 2025, social media will be banned for under 16s.

Why this Matters

This workshop will help you to keep your kids safe online and create healthy tech habits.

Australian teens spend more than **6 hours per day** on their phones.

62% of Australian teens have been exposed to **violent, sexual, or age-inappropriate** content.

45% of young Australians have been treated in a **nasty or hurtful** way online.

This workshop will cover:

- ✓ What the **social media ban** is and what it means for your family.
- ✓ How to have open discussions with your kids about tech use (including **gaming**).
- ✓ **Practical tips** to keep your kids safe online.

Free Parent Workshop

Wednesday 3 December
5.00pm - 6.00pm

Taryn Fiebig Concert Hall
Lucca Street, Churchlands
WA 6018

This event is open to all parents and caregivers, especially of Years 4 to 10 students.

Free, but registration is essential.

Scan the QR code to secure your spot!

<https://www.trybooking.com/DHGIS>

This session is facilitated by **Paris McNeil**, an online safety educator and lawyer who has spoken to thousands of parents and young people about the social media ban.
