What's happened

P&C Community Art Exhibition

The P&C Art Exhibition held 28-30 May was a big success. Thank you to everyone who attended the opening on Friday including guest artist Bradley Kickett, Christine Tonkin MLA - Member for Churchlands, Stuart Aubrey MLA - Member of Scarborough and school board and P&C members.

Visitors got to view over 240 amazing pieces of art completed by our students and local artists.

A big thank you to the Arts Exhibition Coordinator Jane Powell, Head of Arts Jane Hegarty and P&C Arts Committee who worked tirelessly to put together this exhibition for us.

Year 7 and 8 Rugby Team

A big thank you to Wests Scarborough Rugby Union Club who have donated training shirts to every Year 7 & 8 Rugby player at Churchlands SHS, strengthening the bond between the community club and the school.

The Year 7 & 8 Rugby team are currently training for the start of the season which starts in Term 3.

We have had a big uptake of Rugby players in Year 7 and the players are looking forward to competing in the RugbyWA Schools Cup.

Trainings are on Mondays at 3.20 - 4.30pm, new players are welcome.

Wellbeing Survey 2022

Our school is embarking on a community wellbeing project. As a way forward we are developing a vision that will try and address the wellbeing of students and staff. For this purpose, we have decided to survey the students and teachers at school on the 23rd of June by combining Form time and Period 3. On the same day parents will be invited to participate in a parallel survey through an email.

Dr Mandie Shean, from Edith Cowan University is our external consultant for this project and we envisage that after the survey, Dr Shean will conduct focus group interviews to further gain understanding of our school community's needs.

I would like to encourage all to participate in this vital survey. The survey will probably take 20 minutes. We shall leave the survey open for a week from the 23rd of June. Please do not hesitate to contact me if you have any questions.

Waste Free Lunches

Zero Waste

Lunch Day on Tuesday

We are encouraging students to bring Zero Waste lunch on Tuesday's all this term.

Walking around the school there are a lot of students bringing their sandwiches in a reusable plastic container - however they also wrap their lunch in aluminium foil or put it in a zip lock bag.

While Aluminium may be recyclable, students rarely take it home to put in the yellow bin and we find it in our landfill waste stream.

A large portion of the waste we find is represented by zip lock bags. Some students bring the 'biodegradable' or 'compostable' zip-lock bags, however it is important to note that these end up in landfill and are not composted therefore they are not an ideal solution to the problem.

What do we recommend? Trust the containers - you don't need to add plastic or foil to items within. The aim here is to Reduce waste as much as possible.

One Last note: Don't forget to get your bread bags and bread tags in for recycling. We are collecting them in Science classrooms up until the 25 June.

FAMILY AND COMMUNITY ENGAGEMENT

Ken Taylor
P&C Secretary

I have two children at the school, one in Year 12 now and another in Year 10; so I've been here since 2016 and our family will be here until 2023. I attended Hollywood SHS which is of course, no more.

I've been on the P&C since 2018, serving for two years as Vice President and ICT Representative and Secretary since 2020.

Personally, I'm keen to see my Year 12 successfully through ATAR, and my Year 10 through the choosing of her upper school pathways. For the school, we hope to see more engagement with and from parents after the very disrupted 2020 where we were limited in our ability to meet.

Being involved helps you to get a better grip on what issues are affecting the school, both positive and negative - it's great to be able to contribute to the life of the school and help to make tangible differences in both the school's resources, but also the wellbeing of the staff and students.

Seeing my children have significant roles in this year's Senior and Intermediate concerts was a significant moment for me - I found both very emotional and it was great to see them growing into the adults they're rapidly becoming.

Career Development is everybody's business - parent and community event

Included in the series of *Career Development is Everybody's Business* events, a webinar has been organised for parents and community.

This online event will be held on **Thursday, 10 June at 6.00pm - 6.45pm.**

Participants will hear from education and training representatives about:

- how they can best support young people;
- what employers are looking for;
- where the jobs are; and
- where to find up-to-date career pathway and labour market information.

A recording of the webinar will be available after the event for those who have registered.
