

Churchlands Bytes

Welcome back Mr Hunt

A warm welcome back to Principal Mr Neil Hunt who has returned to Churchlands after a secondment at the Department of Education.

Great to have you back on board!

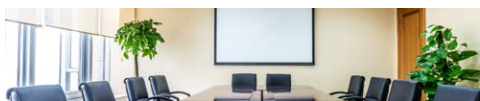

Welcome to the Year 7 cohort and all new students

The school year commenced with a smooth start as 2652 students found classes and settled into the rigour of a new term. Despite having to navigate the large campus, our 378 new Year 7 students did an excellent job of adapting to their new school environment. Well done students.

School Board Election

The School Board will be conducting an election to elect three members in the *parent category* to join our School Board. This process will commence within the coming week – please expect more information via email on the election process.

Each registered parent/carer with a student/s currently enrolled in our school is eligible to vote in the election.

ICT Office - Help for students

Students can go to the ICT office situated next to the library before school, recess, lunchtimes or after school. Staff can assist students with connecting to the internet, password reset and some software and hardware troubleshooting.

Academic Excellence Semester 2, 2021

Unfortunately, the assembly scheduled for 16 February will not go ahead due to Department of Education changes to gatherings of students and staff at school sites. However, students will be acknowledged for Academic Excellence through year assemblies which will be delivered virtually. Certificates will be distributed via pigeon holes.

Library Times

The library is open from 8.15 – 4pm every day.

See what the Library can offer you for FREE.

Churchlands Library has wonderful books, magazines, and digital resources available for all our students, families, and staff.

Our Library teachers select a wide range of resources, and we always welcome suggestions for purchase from our students.

Thank you to all the families who have assisted us with the payment of the voluntary fee we really appreciate it. It helps us to be able to continue with purchasing current and relevant resources.

Check out what we have.

Please keep bus zones free when collecting your students from school

Transperth operate 12 buses each afternoon to take students home. Parents collecting their students by car and parking on Lucca Street are asked to kindly keep bus pick up zones **free** for buses to arrive. Duty staff will monitor the situation to ensure safety of all students.

Transperth also reminds all students that masks are mandatory on public transport and must be worn on the bus.

How to put on and take off your face mask

How to put on a face mask

1. Clean hands with soap and water or alcohol-based rub.

2. Hold the mask by its tapes or loops, then tie the mask around your head or put the loops around your ears.

3. Make sure the mask covers your mouth and nose, and that there are no gaps between your face and the mask. Press the nose piece around your nose.

4. Do not touch the front of the mask while wearing it.

How to take off a face mask

1. Avoid touching the front of the mask. Only touch the ear loops or tapes.

2. Take the mask off from behind your head by pulling the tapes or loops straight forward and moving the mask away from your face. Do not touch the front of the mask.

3. Throw the mask in the bin or if using a fabric face mask place in washing machine.

4. Clean your hands with soap and water or an alcohol-based hand rub.

The WA Government has announced the following protocols to minimise the risk of COVID-19 entering or being transmitted within a school. These changes will take effect from 8 February 2022.

<https://www.wa.gov.au/government/announcements/high-caseload-measures-schools-and-childcare>

Use your face mask correctly

Ensure you remove your face mask correctly. Never leave it on your head, around your neck, under your nose or mouth or around your arm for later use.

Never touch or adjust your face mask without cleaning your hands both before and after.

Never re-use single-use masks.

Cloth masks should be washed each day after use, or when wet or visibly dirty. Masks can be washed in the washing machine (preferably at 60 degrees C) with other clothes. Dry the cloth mask in the clothes dryer or in fresh air before you re-use it. Clean your hands with soap and water or alcohol-based hand rub after handling used face masks.

Please refer to community advice and the HealthyWA website for updates about when and how to use face masks.
