

CHURCHLANDS SENIOR HIGH SCHOOL

Special Interest Netball Program

The program aims to develop individual netball skills, basic coaching strategies and competent umpiring skills. Prospective Year 8 students selected into the program will undertake extra sessions of specialist netball coaching in addition to a full academic program.

Games will occur mid-week during the school term and class will commence at 8.00am one morning per week. Students are able to select netball as one of their electives in Years 9 and 10.

The program is designed to enhance students' talent and ability in the sport. Students in the Netball Program will have the opportunity to participate in:

- Interschool netball fixtures
- Competitions against other specialist schools.

Estimated program cost is \$55.00 and covers the following:

- First specialised Netball Carnival
- Cost of equipment and resources to run the program.

Churchlands Senior High School is not a netball club. For weekend netball we recommend and support involvement in netball at club level. Students will need to contact their local netball association for further information regarding netball clubs in their area.

- * Begins in Year 8 and continues until Year 10.
- * Open to any interested student with or without experience.
- * Display an exemplary attitude towards the game.
- * Genuine interest for future development.
- * Prior involvement in junior netball experience would be beneficial but not essential.
