About Us

Stott Hoare is a WA owned and operated business with more than 30 years' experience in supplying and supporting desktop and mobile computers to parents, schools, government departments and businesses across WA.

We partner with leading Tier 1 device manufacturers like Lenovo and invest in sales and technical expertise so that we can help you choose the right device and provide valuable support as an accredited Service Agent.

Our Solution

Stott Hoare's Parent Owned Device scheme has been designed to meet the needs of schools, parents and students looking for an easy and convenient way to deliver a 1:1 device programme in the classroom. Developed over 3 years with Churchlands Senior High School, our scheme has four key pillars that cover the full range of a successful solution:

Professional Support

- Help Desk
- Pick-Up/Drop-off at school

PC Choice

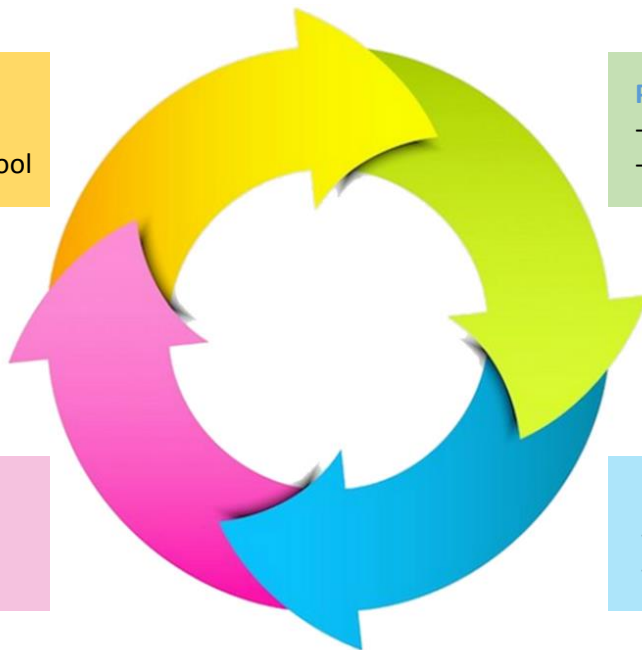

- Meets School's standards
- 3 Year Warranty

Pre-Configuration

- Anti Virus software
- O365 Activated

Purchasing

- Easy ordering options
- Delivered to school

Why choose us?

For some parents, choosing the right device to meet their school's specifications for a 1:1 programme can present a challenge but often the ongoing support can be even more difficult if you don't have the right help.

We all expect our electronic devices to give us years of hassle free use and in most cases, they do - even in the harsh classroom environment! However, in our experience, a surprising number of devices do have issues (in some cases quite minor but still annoying) that can be a significant headache for you to resolve.

That's why it helps to choose a reliable brand. We've selected Lenovo because they have a proven track record delivering notebooks to meet the challenge of the classroom:

ThinkPad Laptops Pass the "Tough Test"

HUMIDITY
SAND
ALTITUDE
LOW TEMPERATURE

HIGH TEMPERATURE
VIBRATION
MECHANICAL SHOCK
EXTREME TEMPERATURES

ThinkPad
ThinkPad notebooks have passed up to **8** military level robustness tests.

Our commitment to working with parents and students to resolve issues sets us apart and our simple approach to offering support is one of the reasons that we've been able to maintain relationships with schools over a number of years. Rather than having to take time out of your schedule to manage a warranty process with a retailer, we just ask you to email our friendly Help Desk with a brief description of the issue and we'll arrange to collect the device from the school reception, handle the repairs and return it to the school as soon as we can (normally within a few days).

We'll also give you friendly advice around our choice of devices, make it easy for you to order, deliver it to your school and install approved software as well - making it really easy to buy your child's 1:1 device from Stott Hoare.

Options

Insurance Options

Industry figures suggest that at least 1 in 20 devices suffer some form of accidental damage.

It's important to decide on your strategy for dealing with out-of-warranty claims. We can facilitate your dealings with an education specific service from iBroker but you may wish to make your own arrangements.

We can provide an assessment and repair service for uninsured machines outside of warranty at discounted services rates.

Flexible Payment Options

In partnership with zipMoney, Stott Hoare can offer 6 month payment options with an interest free component. This offer is subject to the following terms and conditions*:

**To approved applicants only. 6 Months Interest Free available on Device Bundles, minimum spend of \$1,139. Minimum monthly payments of \$40 required – paying only the minimum monthly repayment will not pay out the purchase within the interest free period. Any balance outstanding at the expiry of the interest free period will be charged interest at the standard annual percentage rate, currently 23.90%. An Establishment Fee of \$49 and a Monthly Account Service Fee of \$4.95 apply. Terms & Conditions apply and are available on application or at www.stotthoare.com.au. Credit provided by ZipMoney Payments Pty Limited, ABN 58 164 440 993, Australian Credit Licence Number 441878*

Device Monitoring

We understand that providing children access to devices and the Internet can bring some challenges in managing how they use these tools.

That's why we partnered with Family Zone to offer a 10% discount on the first 12 month subscription to any of their online safety monitoring tools so that you can take complete control over what your kids are doing online and when, and where, they are doing it.

Sample Family Zone pricing can be found at: <https://www.familyzone.com/au/>

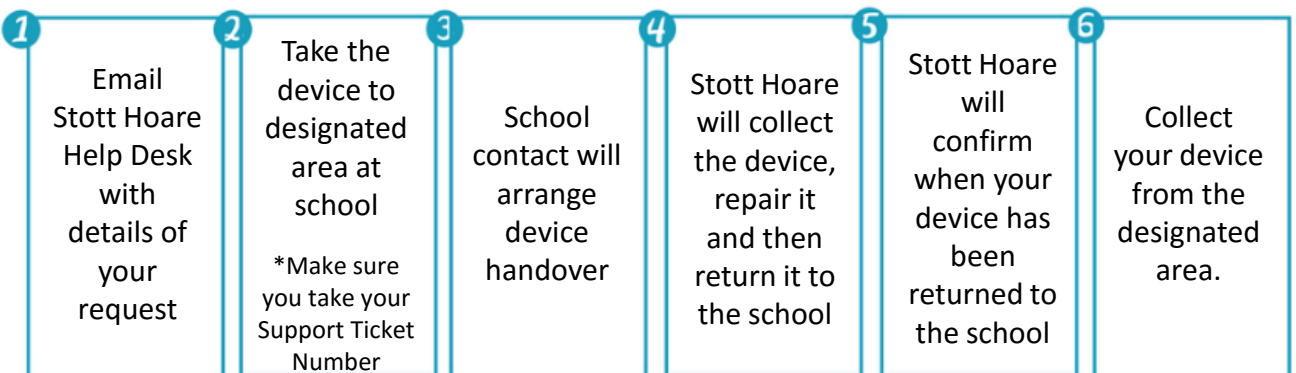

How do I order?

You can purchase your device through our Churchlands Online Portal:
www.stotthoare.com.au/churchlands-shs

- . Dedicated Stott Hoare staff and personalised email address for questions and assistance: churchlandsSHS@stotthoare.com.au
- . Parents will be notified by email of expected delivery dates
- . Students can pick-up devices if they have written parental permission
- . We will deliver to school in batches

How do I get Warranty Support?

Steps to follow during School Term

Note: Non-warranty repair work may be subject to repair charges.
