

NAPLAN 2026 TECHNICAL REQUIREMENTS

To ensure your child's NAPLAN experience runs as smoothly as possible, please ensure the following:

- Your child's device meets the minimum software and hardware specifications as outlined on the school website. (<https://www.churchlands.wa.edu.au/assets/documents/Laptop-Minimum-Hardware-Requirements.pdf>)
- The latest version of the NAPLAN Lockdown Browser has been successfully installed and is functioning as expected. (v5.11.0 for Windows or v5.10.5 for macOS).
- The audio device is working, and your child has a set of headphones.

NAPLAN Lockdown Browser

Your child's device has the latest lockdown browser installed if the following icon appears on the desktop. If the icon does not appear, you will need to download and install the latest version.

Please visit <https://www.assessform.edu.au/naplan-low-bandwidth/remote-and-locked-down-browser> locate and download the appropriate version for your device. The latest version should be installed over the top of the existing browser. If you are having issues, please uninstall the outdated version first.

Windows	Mac
Application v5.11.0 (Updated: 12-Jan-2026) Download for Windows 10 or later (.msi)	Application v5.10.5 (Updated: 12-Jan-2026) Download for MacOS 14 or later (.pkg)
Download Link https://pages.assessform.edu.au/uploads/files/Release/NAP%20Locked%20down%20browser%20-%20Release%20-%205.6.15.msi	Download Link https://pages.assessform.edu.au/uploads/files/Release/NAP%20Locked%20down%20browser%205.7.1.pkg
Once you have downloaded the application, please run it, accepting the default settings by clicking NEXT, INSTALL, YES, OK etc.	Once you have downloaded the application, please run it accepting the default settings by clicking CONTINUE, INSTALL etc
Comprehensive installation instructions are available from: https://www.assessform.edu.au/sites/default/files/2026-01/Locked%20down%20browser%20-%20Windows%20v3.10.pdf	Comprehensive installation instructions are available from: https://www.assessform.edu.au/sites/default/files/2026-01/Locked%20down%20browser%20-%20MacOS%20v3.09.pdf

To check if the NAPLAN lockdown browser has been installed correctly, close all applications and double click the NAPLAN browser icon on the desktop to run the NAPLAN lockdown browser. Once open, select "DEVICE CHECK without login" to ensure your device can play a sound and see a picture. Once you have checked your device is functioning properly you may exit the NAPLAN lockdown browser by clicking on the X at the bottom right-hand side of the browser.

It would be appreciated if you could check and install the appropriate browser by no later than **FRIDAY 27th FEBRUARY**.

If you are having difficulties checking and installing the appropriate NAPLAN lockdown browser please have your child visit the ICT office (before school, recess, lunch or after school), so we can provide support.
