President's Report

- Discussion regarding next meeting and a preference for it to be onsite. An online capacity such as Zoom or Teams would be investigated to support parents who wish to join but cannot attend in person.

Principals Report

- noted some of the funding pressures due to school enrolment numbers are reduced and COVID19 response requirements
- noted funding requests for support from the P&C would come through the Finance Committee as per usual process.

Treasurer/Uniform Shop

- Uniform shop/committee: Discussion regarding the school uniform supplier noting the information provided and comparative costing tables provided by Shirley.
- The Committee felt the pricing was reasonable given the quality and durability of the product; it was also noted the implications of a new supplier would have on a large initial outlay, and space pressure in the uniform shop with new supplies; also noted was the past consultation and discussion where it was agreed to use a local supplier and producer.
- Following the discussion, the Committee agreed to remain with the existing supplier despite the increase which would come into effect in 2024.

Music Parents

- Discussion regarding the P&C grant to fund the school song and a request for a report on the outcome of the grant.

School Grounds

- Query raised regarding plans for CSHS grounds work and plans which had been initiated in 2019/2020 and subsequent outcomes. Request for NH to share the CSHS Grounds Committee meeting recent report with the P&C.
