***YEAR 10 (2020) → 11 (2021)***

# REPORTS – MONDAY 20 JULY

- Churchlands SHS Semester 1 Report via SEQTA Engage and SEQTA Learn
- “Year 10 Planning for Year 11 in 2021” booklet distributed to students on last day Term 2.

# Senior School Structure

Course types at Churchlands SHS:

- **ATAR courses** (need 4 or more to go to university – compulsory WACE exams)
- **General Courses** (for students aiming for further training or work – no exams but **externally set task** in Year 12)

## **VET Courses:**

- **Certificate Courses** have unit equivalence
- **Workplace Learning** has unit equivalence

# Senior School Structure

- ATAR and General courses are divided into units.
- Year 11 courses will cover units 1 and 2.
- Year 12 courses will cover units 3 and 4.
- The program will be taught as a year long course in each year.

# VET equivalences

If a Certificate course is not fully completed then worth **ZERO** units!

Completed qualification	Equivalence (total)	Credit allocation (units)	
		11	12
Certificate I	2 units	2	-
Certificate II	4 units	2	2
Certificate III and higher	6 units	2	4

# WACE requirements

- Pathway direction
- Literacy and Numeracy
- Breadth and Depth
- Achievement standard
- WACE Examinations

# Pathway Direction

- Complete at least four Year 12 ATAR courses including the external examinations (i.e. be eligible for an ATAR)

or

- Complete at least five Year 12 General and/or ATAR courses or equivalent

**(new last year)**

or

- Complete a Certificate II or higher. (Can be in Year 11 or 12)

# Literacy and Numeracy

- Achieve Band 8 or higher in Reading, Writing and Numeracy from Year 9 NAPLAN.

**OR**

- Pass the Online Literacy and Numeracy Assessment (OLNA)
- **Students yet to pass an OLNA component must attend the regular preparation sessions.**
- OLNA held March and September of Year 10-12

# Breadth and Depth

- Complete a **minimum of 20 units** or the equivalent.
- The 20 course units must include:

- Two Year 11 and two Year 12 English units
- One pair of Year 12 units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology)
- Minimum 10 Year 12 units or equivalent

(NOTE: **maximum of 8 unit equivalents** from Certificate courses and WL can be **included in the 20 units**)

# Achievement standard

- Achieve a minimum of 14 C grades or higher across Year 11 and Year 12 units (or equivalents) **including** at least 6 C grades in Year 12 units (or equivalents).

## **NOTE:**

*Completing a Cert II, for example, gives no grades but gives credit for 4 units.*

*Therefore would need 10 C grades with at least 4 in Year 12!*

# WACE Examinations 2022

- Compulsory for all Year 12 ATAR courses.
- Students sitting 4 or more WACE exams will obtain an ATAR.
- All Year 12 General courses will have no exams but they will sit the compulsory EST (Externally Set Task) as part of the course. This task is set by SCSA but will be marked by the teachers.

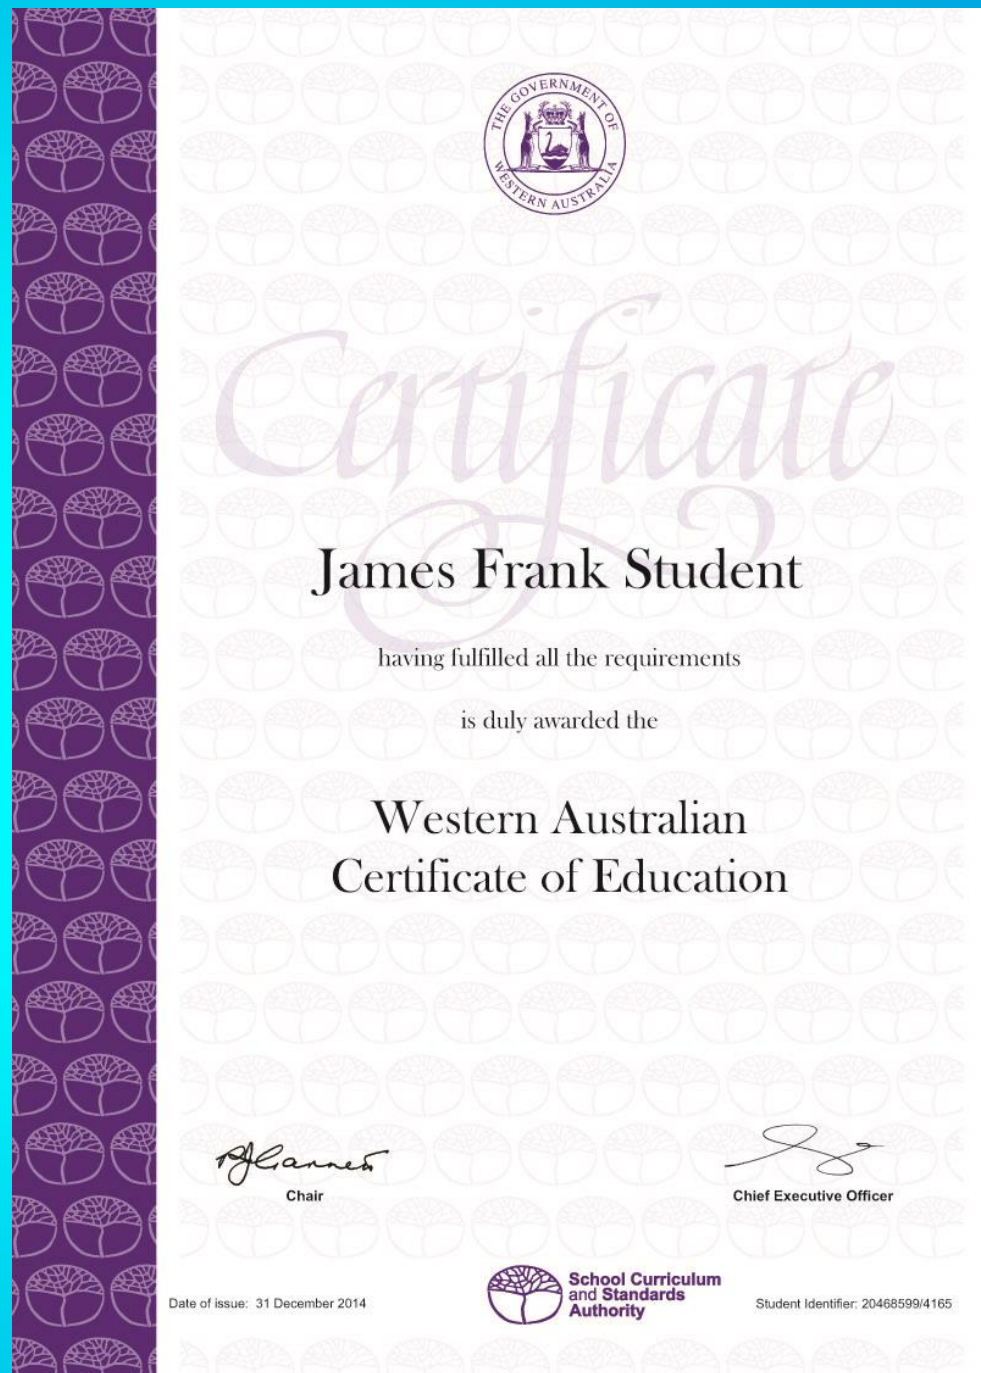

# COMMUNITY SERVICE

While this is not compulsory, hours of Community Service will still be recorded. This may be important for scholarship applications, TAFE applications for competitive courses etc.

**At the end of  
Year 12, if you  
meet all the  
WACE  
requirements,  
then you will get  
a Certificate  
similar to this.**

# MATHS PATHWAYS

## MATHEMATICS PATHWAYS FROM YEAR 10 TO SENIOR SCHOOL

# TERTIARY STREAM

- **COURSE WORK AT SCHOOL**
- **TWO EXAMS EACH YEAR SET AND MARKED BY CHURCHLANDS SHS – Year 11 and 12**
- **SIT WACE EXAMS AT END OF YEAR 12**  
*(SET AND MARKED BY SCSA)*
- **FINAL SCORE CALCULATED BY TISC AND STUDENTS NOTIFIED OF UNIVERSITY PLACEMENT**

**\*\*\* *Lots and lots of hard work!!!!***

# UNIVERSITY COURSE PRE-REQUISITES

- Apply to some courses, but not all.

See -[www.tisc.edu.au](http://www.tisc.edu.au)

- Require scaled score of 50 or more in any pre-requisite ATAR course.
- Additional requirements, for example -
  - ✓ UCAT for Direct Pathway UWA
  - ✓ interview
  - ✓ audition
  - ✓ portfolio

# SCALING IN WACE EXAMS

- \* Some courses tend to go up
- \* Some courses tend to go down

*(Adjusted by SCSA at end of Year 12)*

# Standardised or “adjusted” marks

At Churchlands we standardise the marks for all students in ATAR courses. This means that “raw” marks are adjusted based on both historical Churchlands data as well as the attributes of the relevant cohort. These are the marks that we submit to SCSA and print on reports.

It shows the likely scaled score at the end of follow-on Year 12 course if working at the same level.

## ATAR – Australian Tertiary Admissions Rank

- At the end of Year 12, top 4 scaled scores + 10% of best **language** + 10% of **Maths Methods** score + 10% of **Maths Specialist** score added together to give mark out of 430.  
(TEA)
- Possible to sit a language not offered at Churchlands as a “non-school candidate” in Year 12 which allows you to get the **“BONUS”!**
- The scores sorted in order and a rank applied (ATAR)
- An ATAR of 90 means a student is better than 90% of all the Year 12 school leaving age people in WA . They are therefore in the top 10%.
- ATARs are equivalent with other states’ ranks

# ATAR RANKINGS

**ATAR Ranking determines the university course you can get into in 2023**

Average Scaled Marks	ATAR in 2019 WACE (no bonuses)
50	60.7
55	70.25
60	78.75
65	85.25
70	90.4
75	94.2
80	96.8

# Example – The Language Bonus

- Maths Applications 71
  - English 64
  - Modern History 72
  - French 50
  - Chemistry 73
- 
- Best four course total =  $73 + 72 + 71 + 64 = 280$
  - 10% of French mark is included so TEA would become  $73 + 72 + 71 + 64 + 5 = 285$
  - Last year this produced an ATAR of 91.45, the Language does not need to be in the top 4 courses. (It boosted the ATAR by 1.05 in this example!)

# Choosing a Language

Languages offered at Churchlands:

- Chinese Second Language
- French Second Language
- Japanese Second Language
- Must apply using forms available from SCSA or language teachers.
- Deadline Friday 28 August to SCSA

# Other Languages...

- Many students are fluent in another language other than the ones offered at school.
- In Year 12 it is possible to enrol as a “non-school candidate” in these languages (often following an Eastern States syllabus) and sit the WACE exam. We will provide info in Term 1 of Year 12
- You receive no “grade” but the “mark” counts towards the ATAR.

# Example with Maths and Language

- Physics 83
- Maths Methods 80
- Literature 75
- Chemistry 72
- Maths Specialist 60
- Spanish (private) 40

Best four course total =  $83+80+75+72=310$  (ATAR 95.7)

Plus 3 x bonuses =  $310+8+6+4=328$  (ATAR 97.5)

Which gives an ATAR boost of 1.8

- **NOTE: Can't include both Apps and Methods OR Apps and Spec in calculation of the ATAR. (Can do Methods and Spec)**

# YEAR LONG COURSES

- Years 11 and 12 courses (ATAR and General) are offered as a pair of units which are treated as year long courses. **THERE WILL BE NO STUDENT INITIATED COURSE CHANGES AFTER WEEK 5.**
- The school and parent can initiate subject changes over weeks 6-10 in Term 1 only due to performance issues only.
- **After end Term 1 there are NO MORE SUBJECT CHANGES, YOU CAN'T CHANGE TO DIFFERENT SUBJECTS IN SEMESTER 2.** (This is different to Year 10 electives!! It needs to be born in mind if students are struggling/mental health issues etc. Make the change in Term 1!)
- End of year exams for ATAR courses cover the years work!
- Final grade and % awarded to a student at the end of the year will be submitted to SCSA for both semester units.
- Semester 1 grade and mark provided in the first semester report will be an **interim result only**.

# Number of Courses??

- Students will select six subjects/courses in Year 11.
- This generally follows through to six in Year 12, though students completing five ATAR subjects can apply for Private Study

# GATE MUSIC

When accepted into the GATE Music program in Year 7 (or other years for later entry), the signed agreement commits the student remaining in the program for the duration of their time at Churchlands SHS. Significant resources are allocated to these students and orchestras and ensembles can be severely affected if a student didn't continue.

If you are a GATE music student then in Year 11 you will need to select a Music subject within your six choices, either:

- ATAR Music (Western Art);
- ATAR Music (Jazz); or
- Certificate II Music Industry. (This can lead to Certificate III in Year 12 but could also be selected as a two-year course.)

### Senior School 2021

(Year 10 going into Year 11)

The Subject Selection process is an important component of the successful completion of Senior School studies leading to the achievement of the Certificate of Education (WACE) and transition to tertiary education, further training or employment. It is best to try to get the subject choices right the first time, making changes after the academic year has started.

Students have been working through a range of support materials aimed at providing them with the appropriate understanding to make informed choices for their future. It is essential that both parents and students work together to complete this process.

### **Please ensure that all relevant steps of the SSO are completed.**

The recommended subjects for all students have been embedded within SSO. They have been based upon prerequisites reflecting historical data for successful students. Past performance is the best indicator of future success. We strongly recommend that decisions are based on these recommendations. If requested against recommendation, parents and students MAY be given the option to email the Head of Learning Area (HOLA) from within SSO. It will also be possible for parents to book an appointment with a counsellor to complete the selection process if further assistance is required.

## Unique Student Identifier (USI)

All students who are undertaking a Qualification since 2015 are required to obtain a USI number. Without this number, students will not receive the recognition for any work they complete towards a Qualification.

**All students are required to have a USI number before they are able to complete the Subject Selection process via SSO.**

Information on how to easily and quickly apply for the USI has been sent to students and parents previously. This information is also in the Senior School section of the School Web Site. The application is made on-line at the [USI website](#).

## Choose your Pathway

⚠ Thinking about your skills, abilities and academic results so far, select which pathway below best describes your post-school intentions:

- ☒ Direct University Entry by obtaining an ATAR
- ☐ Alternative University Entry or Further Training or Employment

# Choose English, then five other courses followed by two reserve choices

- ☒ Direct University Entry by obtaining an ATAR
- ☐ Alternative University Entry or Further Training or Employment

## ATAR Pathway

You must make sure you include at least one List B course in your selections. You will make six (6) subject selections followed by two (2) reserve choices. These reserve choices would only be considered if you did not receive one of your first six choices.

Please note that there are compulsory exams for all ATAR courses chosen.

**If you are a GATE music student then you need to select a Music subject within your six choices, either ATAR Music (Western Art), ATAR Music (Jazz) or the Certificate II Music Industry. Failure to do this will result in an adjustment to your course choices at a later date. Please see the Director of Music, Mr Glenn Robinson, if you need further clarification.**

The image shows a screenshot of a web application interface. A modal dialog box is open, titled "Request for Chemistry: ATAR\*" in a blue header bar with a close button (X) in the top right corner. The main content area of the dialog is white and contains the text "Write your reason" above a large, empty text input field. At the bottom right of the dialog, there are two buttons: a light gray "Cancel" button and a blue "Send Request" button with a white paper plane icon. In the background, partially obscured by the dialog, is a page with text including "e y", "en", "old", "co", "in", "er", "m", "in", and "nce: ATAR \$ i".
