ACMF National Songwriting Competition 2025 - Free entry

We are thrilled to announce the Australian Children's Music Foundation's annual National Songwriting Competition is back for 2025 and entries are now OPEN!

It's the only free to enter songwriting competition for school aged children in the country because we believe every child should have the opportunity to express themselves through song.

All school-aged students from across Australia are encouraged to put pen-to-paper and enter their original song. This competition allows students to reflect and use music and song to find their voice in interpreting difficult circumstances, facing new challenges, or simply expressing feelings whether they be excitement, trepidation, happiness or sorrow.

Please see Appendix 5 for more information.
